Mrs. Kerns Wins Honor

Mrs. John (Dee) Kerns, named "Woman of the Year" recently by the Klamath Falls Scroptimist Club has been nominated for national honors in the Mary Margaret Mc-Bride radio project, according to word reaching here from New York

City where the program originates. Mrs. Kerns, who was not avail-able today for comment was nom-inated by Mrs. A. V. McVey, Lake-shore Drive.

Her nomination was based on her adoption more than a year ago of an orphan boy from Germany and her tireless work among chil-dren, in this community.

Mrs. Kerns has led various groups of both boys and girls in 4-H cooking, is a member of the Klamath County Farm Bureau, of C. F. Chapter, PEO Sisterhood, is

a past vice president of the Amer-ican Association of University Women and a past chairman of the organization's drama group. She is also active in work in the First Presbyterian Church.

Mary Margaret McBride, ABC's recognized "First Lady" of radio, launched this project on her five-day-a-week ABC program in an ef-fort to find out what women are doing in towns and cities of the United States to help make their communities better places to live in, and to help preserve our dem-ocratic way of life.

From nominations being made all over the nation, four women will be chosen to go to New York City late this Spring to be inter-viewed on the air by Mary Mar-garet.
