WALL STREET
NEW YORK (AP) — Severe selling pressure sent the stock market down sharply Monday with all major divisions involved in the fall.

The retreat extended to between 1 and 4 points at the worst with a few high priced issues falling more. There were few important plus signs in the list and only a handful of issues remained unchanged.

Volume built up rapidly to an estimated 3 million shares. That is extremely heavy but still under the 3,120,000 shares traded last Tuesday. Volume last Thursday (the market was closed for Good Friday) came to 1,720,000 shares.

Livestock

CHICAGO LIVESTOCK
CHICAGO (AP) — Two factors in hog trading combined Monday to send the market 15 to 20 cents higher. There was some recovery in demand from outside order buyers. Receipts over the week were lowest in six weeks. Retail prices were the best since March 18.

Cattle were steady to 20 cents lower except for some strength in bulls.

Most butcher weight hogs sold from \$20.75 to \$21.50 and most sows from \$17.50 to \$19.75. Top prices in the two divisions were \$21.60 and \$20.00 respectively. Clearance was good on the 7,500 hogs estimated to be on sale.

Steers weighing upward of 1,200 pounds showed most weakness. Good to prime steers and yearlings brought \$19.50 to \$27.00 and good and choice heifers were \$19.50 to \$23.00. Commercial cows topped at \$15.00, sausage bulls at \$15.00, beef bulls at \$15.00, and choice vealers at \$23.00.

No market was established up to a late period in the season for sheep trading. Indications were, however, for a steady trade and a top price of \$24.50.

Cattle arrivals, estimated at 19,000 head, were well ahead of the 12,000 a week ago. An estimated 30,000 calves and 4,500 sheep also were received.

Missing Walsh Plane Found

SEATTLE (AP) — Wreckage of a light plane which vanished in 1949 with four persons aboard was found Sunday in a snow-covered, timbered area on the west slope of the Cascades.

The plane disappeared on a flight from the Kitsap County airport. No flight plan was filed.

The pilot was C. G. Walsh, Santa Fe, N. M. The passengers were Mrs. Charles Gay of Los Alamos, N. M.; her 15-year-old son, Charles, and her sister, Miss Edna Talafiero, 21, a shipyard employe at Bremerton.

Two Skagit County cougar hunters reported finding the plane wreckage under three fallen trees, about 20 miles north of Snoqualmie Falls, Phil Hogan, logging superintendent for the Weyerhaeuser Timber Co., said the two men were not able to get inside the plane, but it was identified by the number on the wing. It crashed near the 3,400-foot level.

A party started to the scene Monday. It includes King County Coroner John P. Brink Jr.; Charles Chester, director of the Washington Aeronautics Commission, and Leon Cuddeback, Civil Aeronautics Board regional chief.

An extensive search was conducted in Washington, Oregon and Idaho at the time the Piper Clipper vanished.

The hunters who found the wreckage were identified only as Parker and Woods. They were from Lyman.

Picture Theft Arrests Made

CHICAGO (AP) — The FBI Monday said further arrests "are probable" in connection with the theft of nine religious paintings believed worth a fortune.

Eleven men already have been snared in a tightening FBI net. Six men were arrested in Chicago, four in Ohio and one in Pennsylvania.

None of those held has been specifically charged with the Nov. 12 theft of the paintings from St. Joseph's Pro Cathedral in town, Ky. However, one of the men in custody committed the theft—paintings from their collection was not identified.

The paintings—mostly recovered in Chicago—include works by Raphael, "The Descent of the Holy Spirit," and "The Descent of the Holy Spirit." The Kentucky church was given them as a gift from Philippe de France, from 1830-1840, and Bardtown for his home.

The FBI said no one has been placed on the list but that it was reported the paintings were valued at \$1 million dollars.

CHICAGO (AP) — Grains dropped in early dealings on the board of trade Monday and then spent the rest of the session trying to recover. Best prices for the day were scored shortly before the close.

Early selling was based on Korean truce developments, moisture in the Southwest over the week end and fairly liberal receipts of cash grain. However, selling never became heavy and this fact in itself encouraged some short covering and new buying near the finish.
