

US Troops To Stay In War Area Even If Peace Comes

WASHINGTON (AP) — President Eisenhower said Tuesday that even if peace comes in Korea "our men and those of our Allies will have to stay in that region quite a while."

Eisenhower made the statement in a brief informal talk at the annual meeting of the United Defense Fund, Inc., at the Statler Hotel.

His suggestion that peace seems a possibility came atop an earlier White House description of the United Nations-Communist agreement on repatriation of sick and wounded prisoners as "encouraging."

The United Defense Fund raises money to support such programs as that of the United Services Organization.

Eisenhower told the meeting that if a Korean armistice is arranged, there will be possibly an even greater need for such programs as the USO in Korea.

Then he added that even if peace comes in Korea, "our men and those of our Allies will have to stay in that region quite a while."

Long Bell Offers Working Pact Again

LONGVIEW (AP) — The Long-Bell Lumber Co. has proposed to the International Woodworkers of America (IWA) a renewal of the existing working agreement.

Long-Bell officials met Monday with the plant labor committee and Local 5-36 officers to make the formal offer to reinstate the contract.

A letter was prepared and T. A. Pedersen, financial secretary of the IWA local, said it will be referred directly to the union's regional negotiating committee in Portland.

Control Bill Flaws Found

WASHINGTON (AP) — The Legislature's bill providing the sale of medicine in ice cream substitute made available in an unconstitutional clause, Attorney Robert Y. Thornton ruled.

The purpose of the bill, Thornton pointed out, is to prevent fraud, but limiting the size of the packages doesn't have anything to do with preventing fraud.
