Odd Fellows Plan Rites

April 26, 1953 will be the one hundred thirty fourth anniversary of the founding of Odd Fellowship in the United States. Each year Odd Fellows commemorate this anniversary by some suitable program, meeting or entertainment. This year arrangements are being made to bring a thirty four man degree and drill team from Portland for the purpose of conferring the Second Degree of Odd Fellowship, and to celebrate this birth date of the Order, Klamath Lodge No. 137, of Klamath Falls, Merrill Lodge No. 187, of Merrill, and Modoc Lodge No. 278 of Alturas, California have joined together in financing and arranging for this degree team, and furnishing the candidates for the degree.

The degree team is composed of members from City View Lodge No. 201 of Portland, who are most proficient in the degree work, and have some very intricate drills which add a great deal to the showmanship of the team. The degree work is planned for Saturday, April 25, at 8 o'clock, at the Merrill IOOF hall, one day prior to the date of the anniversary of the Order, and with the class of candidates to receive this degree of Brotherly Love, will be a fitting tribute to the birth date of the Independent Order of Odd Fellows.

Fraudulent Use Of Mails Charged

Following its policy of screening as carefully as possible the classified advertising ordered in the Herald and News, an ad from the Northeastern Sales, Lynn, Mass., was turned down by the paper last month.

Word has just been received from the inspection service of the Post Office Department that "the two men running this scheme" were placed under arrest on March 26, 1953, charged with fraudulent use of the mails.

Wheat Group To Continue

PORTLAND (AP) — The Oregon Wheat Commission will continue its promotional campaign for Oregon wheat, the Pacific Northwest Bakers Conference was told Monday.

E. J. Bell, Pendleton, commission administrator, told the 200 bakers at the opening session of a three-day meeting that most of the promotional work was taking place within the state.

He mentioned 4-H Club cake baking contests, exhibits at the State Fair and a motion picture which is being made to show wheat production, marketing, milling and baking.
