**ABOUT OUR
PHARMACY DEPARTMENT**

Your Doctor Knows Best

We have provided the
Klamath Basin with the
most modern prescription
department possible.
Completely visible from
the street, you can see
your prescriptions being prepared under ideal,
clean conditions by professional full time pre-
scription pharmacists. King Henry VIII studied
Pharmacy and mixed medicines as a pastime.
Our pharmacists have studied Pharmacy exten-
sively and have accepted the practice of Phar-
macy as their life works. They are constantly pro-
gressing in knowledge with the great forward
strides in today's medical developments. You can
be assured of professional competency and the
best ingredients when you have your prescrip-
tions filled at Currin's.
