

Eisenhower Administration Asks For \$5,828,000,000 in Foreign Aid; Says Necessary For Defense Against Reds

WASHINGTON (AP) — The Eisenhower administration asked Congress Tuesday for \$5,828,000,000 in foreign aid as a necessary defense against the Soviet Union.

The president made the request in a special message to Congress. The detailed presentation was made by a parade of cabinet members, headed by Gen. Dwight D. Eisenhower, chairman of the Joint Chiefs of Staff, in testimony before a joint session of the Senate and House Foreign Relations Committees.

The basic purpose of this program is to provide the United States with a "shield" against the Soviet Union, the president's message said.

He noted that the bulk of the aid is for military equipment and training, and that it is necessary to provide the United States with a "shield" against the Soviet Union.

California Lobbyist Curb Bill Amendments Sought; Collier Fights New Rules

SACRAMENTO (AP) — Assemblyman John L. Collier, author of California's 1949 lobbyist control act, is fighting amendments to the bill today in the Senate.

Collier, a Republican, said the bill strikes at the heart of the lobbyist's business.

He said the bill would make it impossible for a lobbyist to be a legislator, a man who has since been accused of income tax evasion.
