Plucky Youth On Watery Schedule

INLET, N. Y. (AP) — The fact that he's too young for a hot rod on the roads doesn't bother 11-year-old Harry Delmarsh.

He put-puts to school in this Adirondack Mountain village from his home at Rocky Point Inn by guiding an outboard motorboat across the head of Fourth Lake, through a channel and across Fifth Lake.

British Bomber Sets New Record

LONDON (AP) — A British twin-jet Canberra bomber climbed to 63,668 feet, bettering the world air-craft altitude record by 4,222 feet, the Royal Aero Club announced Friday.

The flight was made last Monday from Filton Airfield, near Bristol, with W. F. Gibb, assistant chief test pilot of the Bristol Aeroplane Co., at the controls. The plane was fitted with Bristol Olympus engines.

The present record was set by Britain's John Cunningham on March 23, 1948, in a Vampire jet fighter. He reached 59,446 feet.

It took Gibb 45 minutes to climb the full altitude—more than 12 miles.

Everest Team Going Strong

KATMANDU, Nepal (AP)—Reports reaching this Nepalese capital today said a British expedition seeking to climb unconquered Mount Everest has reached the 21,000-foot level and is awaiting favorable weather before climbing higher.

The reports said the expedition, headed by Col. John Hunt, has established the fourth of the eight camps it expects to use in trying to scale the 29,002-foot Himalayan peak, the world's tallest.

The expedition plans a two-man push for the top sometime after May 15, the exact date depending on weather conditions.

No climbers have ever scaled the towering, windswept peak of Mount Everest and returned to tell about it. At least 10 previous teams have made the attempt.

Countryless Man Nabbed At Palace

LONDON (AP) — Garry Davis, self-made man without a country, dashed through the gates of Buckingham Palace Friday in an attempt to ask Queen Elizabeth if she could extend his stay in England.

A policeman caught Davis in the palace yard. He was taken to a police station and later removed to St. Pancras Hospital. A Scotland Yard spokesman said Davis was being detained for mental observation.

Davis, 31, is a U. S. World War II veteran who renounced his American citizenship in 1948 to become "World Citizen No. 1."
