RESOLUTION NO. 555

A resolution declaring the intention of the Common Council to pave and improve the alley in block three of Hot Springs Addition, to City of Klamath Falls, Oregon, and declaring and directing certain steps to be taken in connection therewith, said project to be known as Improvement Unit No. 121.

Whereas, the City Engineer, pursuant to a resolution of the Common Council heretofore adopted, having filed plans, specifications and estimates for the cost of improving the alley in Block three of Hot Springs Addition to the City of Klamath Falls, Oregon, and the Common Council finding the said plans, specifications and estimates satisfactory for said project, which shall be known as Improvement Unit No. 121.

Therefore, be it resolved by the Common Council of the City of Klamath Falls, Oregon, duly assembled in regular session, as follows:

That said plans, specification and estimates for the improvement of said portion of said alley, heretofore filed by said City Engineer, be and the same are hereby approved. The said project shall be known as Improvement Unit No. 121.

That the Common Council of the City of Klamath Falls, Oregon, hereby declares its intention to improve said alley in accordance with the plans, specifications and estimates, as follows:

Type "E". To consist of paving the alley in Block three of Hot Springs Addition to City of Klamath Falls, Oregon, sixteen feet in width and five inches in depth with asphalt concrete pavement, from the southwesterly line of Pine Street to a point 342 feet southwesterly therefrom.

Type "C". To consist of paving the alley in Block three of Hot Springs Addition to City of Klamath Falls, Oregon, sixteen feet in width and six inches in depth with cement concrete pavement, from the southwesterly line of Pine Street to a point 342 feet southwesterly therefrom.

RESOLUTION NO. 557

A resolution declaring the intention of the Common Council of City of Klamath Falls, Oregon, to pave and improve the Easterly portion of roadway of California Avenue from the north line of Upham Street to the south line of Delta Street, omitting intersections, but including sidewalks, and sanitary sewer laterals and directing certain steps to be taken in connection therewith, said project to be known as Improvement Unit No. 122.

Whereas, the City Engineer, pursuant to a resolution of the Common Council heretofore adopted, having filed plans, specifications and estimates for the cost of improving easterly portion of roadway of California Avenue from the north line of Upham street to the south line of Delta street, omitting intersections, but including sidewalks, and sanitary sewer laterals and the Council finding the said plans, specifications and estimates satisfactory for said project.

Therefore, be it resolved by the Common Council of the City of Klamath Falls, Oregon, duly assembled in regular session as follows:

Section I

That said plans, specifications and estimates for the improvement of said

portion of said street, heretofore filed herein by the City Engineer, be and the same are hereby approved and said project shall be known as Improvement Unit No. 122.

The Common Council of the City of Klamath Falls, Oregon hereby declares its intention to improve said portion of said Street in accordance with said plans, specifications and estimates as follows:

Type "E". To consist of asphalt concrete pavement five inches in depth with cement curb and gutters, the overall width to be 18 feet. Sanitary sewer laterals will be constructed where needed to provide sewerage facilities for the abutting property in order to prevent cutting of the pavement at a future date. Cement sidewalks four inches in depth and five feet wide will be constructed on the easterly side of said street.

Type "C". To consist of cement concrete pavement six inches in depth with cement curb and gutters, the overall width to be eighteen feet. Sanitary sewer laterals will be constructed where needed to provide sewerage facilities for the abutting property in order to prevent cutting of the pavement at a future date. Cement sidewalks four inches in depth and five feet wide will be constructed on the easterly side of said street.

The estimated cost of all classes of improvements embracing all work and materials for the complete improvement of said project for each type of pavement being as follows:

Type "E" Asphalt concrete pavement—$13,570.[illegible]

Type "C" Cement concrete pavement—$15,[illegible]

Said estimate includes engineering, supervision, advertising, clerical assistance, attorney's fees and unforeseen contingencies.

Section II

That the property lying within the boundaries hereinafter described be and the same is hereby declared to be benefited by the said improvement hereof:

[illegible]

Section III

That Monday the 8th day of June, 1953, at the hour of 7:30 o'clock p.m. at the Council Chamber of the City Hall in the City of Klamath Falls, Oregon, be and it is hereby fixed as the time and place for hearing of objections and remonstrances against said proposed improvement.

Section IV

That the Police Judge be and he is hereby authorized and directed to cause notice of such hearing to be published as provided by the Charter of said City and shall publish this resolution as provided by law, and within five days after the first publication thereof the City Engineer shall cause to be conspicuously posted at each end of the line of contemplated improvement such notice as is provided by law and ordinance.

Passed by the Common Council of the City of Klamath Falls, Oregon, this 4th day of May, 1953.

SAFE

EUGENE (UP) — A 14-year-old girl missing since Sunday turned up safely in Eugene Monday. The girl, Mary Caroline Baker, told police she had gone for a ride with Donald Ross Yeager, 24, Eugene.

State police stopped the two as they drove back into the city. They arrested Yeager on a charge of giving beer to a minor boy who had been with them earlier Sunday.
