

MARKET AND FINANCE

WALL STREET

NEW YORK (AP) — The stock market advanced Wednesday with the railroads leading the rally.

Other major sections of the market quickly followed along in the rise—especially the railroads, steels and motors.

Gains ran to between 1 and 3 points at the close with the railroads making the best showing.

Volume came to an estimated million and a third shares, the best for about two weeks. Tuesday's total came to 1,120,000 shares.

Livestock

CHICAGO LIVESTOCK
CHICAGO (AP) — Hog prices reversed the prevailing downward drift of earlier in the week Wednesday on a small reduction in supply. Butcher weights were up 10 to 25 cents and sows were 25 to 50 cents higher.

Both cattle and sheep were unevenly higher and lower. Most barrows and gilts cleared early at \$23.25 to \$24.60. Sows generally ranged from \$20.00 to \$23.00. Good and better steers and heifers were steady to strong and up 25 cents occasionally. Cows were steady but bulls were steady to weak and vealers were weak to \$1.00 lower.

Sheep trading good to prime brought \$20.50 to \$23.00, topped by two loads at \$23.25. Good to prime heifers were \$20.00 to \$23.75. Cows topped at \$16.00.

Lambs turned active and 50 cents or more higher but ewes were slow and steady to 50 cents lower. A few good to mostly choice spring lambs brought \$26.00 to \$28.50.

Salable receipts were estimated at 6,500 hogs, 13,000 cattle, 500 calves and 500 sheep.

PORTLAND LIVESTOCK

PORTLAND (AP)—(USDA)—Cattle salable 350; market slow for most classes; canner-cutter cows fairly active; market steady to fully 50 cents lower; some bids off more on steers; few cutters-off steers 15.50-19.00; one load good 898 lb 23.75 lightly sorted; few utility-commercial heifers 13.50-19.00; 23.50; canner-cutter cows mostly 12.00-13.50; shells down to 10.00; utility-commercial cows 14.50-16.00; light cutter bulls 14.50-16.00; commercial grades 18.00 - 19.50.

Calves salable 50; market slow; few sales around 1.00 lower; good-choice vealers 24.00-27.00; utility-commercial grades 16.00-22.00; good 505 lb stocked calves 20.50.

Hogs salable 400; market active; steady; choice 180-225 lb 26.00-28.50; choice 225-300 lbs 24.75-25.50; choice 350-500 lb sows 22.50-23.50.

Sheep salable 300; spring lambs steady; other classes weak; choice-prime 85-93 lb spring lambs 25.50-25.75; few good 91 lb 24.50; choice 106 lb old crop woolled lambs 23.50; good-choice No. 2 and No. 3 pelt fed lambs 20.00-22.00; few good shorn ewes 6.00; woolled ewes to 6.00.

Grains

CHICAGO GRAIN

CHICAGO (AP) — The last day of trading in May contracts brought liquidation which weakened those deliveries in most grains on the board of trade Wednesday.

May wheat was down more than 3 cents a bushel at times, and all wheat deliveries sank to new seasonal lows. Corn also was lower despite favorable export news. Soybeans were firm in early dealings but later dipped with the May contract leading the downward movement.

Wheat closed 3/4 to 3 cents lower, May \$2.11 1/2-2.13, corn was 1/2 to 1 1/2 cent lower, May \$1.97 1/2-1.98 1/2, oats were 3 cents lower to 1/2 higher, May 73 1/2-72 1/2, rye was down to 1 1/2, May \$1.55, soybeans were 1/4 to 2 cents lower, May \$3.01 3/4-3.03 1/4, and lard was 5 to 15 cents a hundred pounds lower, May \$10.85.

Potatoes

CHICAGO POTATOES
CHICAGO (AP) — Potatoes: Arrivals 137, on track 237; total U. S. shipments 995; slightly stronger on russets, about steady on reds; Idaho Russets \$5.65-75; California long whites \$3.90-4.15; Pontiacs \$3.40-50; Florida Sebagoes \$3.40.

Fisherman Wins Damages

SALEM (AP) — A group of men on a fishing trip generally has a happy time until one of them "spoils the party" by deciding he wants to fish. Supreme Court Justice Walter L. Tooe wrote Wednesday in a decision awarding \$11,196 damages to Marvin Glasscock.

Glasscock was one of four men who were in an auto accident near Scottsburg Nov. 20, 1948.

A passenger in the car, Glasscock sued Floyd Anderson, the driver.

Justice Tooe wrote: "The record in this case paints a clear picture of a convivial group of men on an outing, with all the accommodations and extras generally considered necessary to a successful fishing trip."

"It is almost a matter of common knowledge that such fishing trips usually prove happy and successful ventures, unless and until someone spoils the party by deciding he wants to fish."

"They customarily do not terminate with such disastrous results as occurred in this case."

"This record affords but another example of the truism that alcohol and gasoline is a mixture fraught with danger."

The opinion upheld Circuit Judge Carl E. Wimberly of Douglas County.

The postmasters will hold their annual picnic in August at Collier

Chiloquin PTA Names Officers

CHILOQUIN—Mrs. H. A. Moore, president of the Klamath county PTA council, installed local officers for the coming year last Monday night in the final PTA meeting of the year. Lloyd Peters is the new president, replacing Mrs. Andrew Ortis. Mrs. Don Veatch of Fort Klamath is vice-president, taking over the job from John Copeland. Mrs. Rollin Pfeiffer of Sprague River is secretary and Mrs. Friedman Kirk, treasurer, replacing Mrs. James Parsley and Layton Hoback.

In addition to Mrs. Moore, Mrs. John Insley, secretary of the county council, Mrs. Eldred Hansen, vice-president of the group, and Mrs. Gordon Loomis, state PTA chairman for the character and spiritual group, all of Klamath Falls, were special guests.

During the business meeting it was decided to turn the treasurership over for annual auditing, further plans were completed for the Barbershop Chorus program to appear on Friday evening, a report was heard from the pre-school area clinic. Thirty youngsters from this area were checked and in at least two cases it was the first indication of physical trouble the patient had had. Many children were given slips encouraging them to visit their own dentists and doctors for follow up work to be done before the beginning of school next fall.

The Blue Birds, Camp Fire Girls, Horatio Club, Cub Scouts and Boy Scouts presented the program for the evening. Mrs. Eugene Marchington's group of Camp Fire Girls gave a short skit called "News," the two Blue Bird groups presented gifts to the girl in each group who had sold the most mints last month. Janet Hall was the winner in Mrs. Joe Adams' group and was given her present by Cherry Wolff. Barbara Sisson was the winner in the other section and was given the award by her leader, Mrs. Dwight Kircher.

Patty Hesseck of the Horizon Club told of the girls' plans to go to San Francisco on money earned by the group and announced the waffle dinner to be given by the group at the CI clubhouse in Fort Klamath May 24, and the plans for a public card party to be held in Chiloquin within two weeks after school is out.

Frank Heglund displayed the clever wishing well made by the boys in the Cub Scouts for their mothers, a craft taught by Mrs. Andrew Ortis.

Scoutmaster Dwight Patton of Klamath Agency announced Victor Sisson and Gordon Copeland as winners of the trip to the national Scout Jamboree in July and told of the Campfire planned for the following weekend. He said the Scouts had cleared nearly \$100 on sale of Christmas trees last December and slightly over \$300 on a smoker given in April. Approximately \$200 more is needed to meet expenses of the Jamboree and it was hoped that the Barbershop Chorus program would come close to fulfilling that amount.

Refreshments were served in the cafeteria following the program and the room count, which showed Mrs. Pfeiffer's 5th and 6th grade room to be the winner.

Dad-Daughter Dinner Set

Klamath Falls Camp Fire Girls and Blue Bird groups will sponsor two Dad-Daughter dinners at the First Methodist Church the evenings of May 21-22 at 6:30.

Membership has increased during the past year to the point that it is necessary to hold separate evening sessions, Thursday night being the time planned for Camp Fire Girls and the Horizon Clubbers to host their fathers and Friday night the Blue Birds will take over. Both dinners will be potluck, the food prepared by the girls, and supervised by the groups leaders.

Camp Fire Girls will honor an outstanding Camp Fire Girl of the year, and she will receive a scholarship for summer camp. Blue Birds will present their annual Fly-Up ceremony that lets them become Camp Fire Girls.

All Camp Fire board members received invitations to the dinners, and the girls are now going for a full representation, according to Naomi French, executive director.

Court Records

DISTRICT COURT
Willie Shoals, no operator's license, dismissed.
George Stanley, excess vehicle length \$10 bail forfeited.

Funeral services for David Andrew Turner, 59, who died here May 18, will take place from the chapel of Ward's Klamath Funeral Home, 925 High St., on Thursday, May 21 at 11:30 a.m. Rev. Floyd Holm of the First Methodist church officiating. Committal service and interment in the Ashland Cemetery, Ashland, Oregon, 2:00 p.m. Rev. Ross Knuts of Ash-

In The Day's News

(Continued from page 1)

was wound being turned counter-clockwise played a Christmas carol.

They caught the public fancy, and now everybody in the family who can command sufficient craft of hand to do the delicate work required is working like a beaver turning them out for the department store trade. The comic books are no longer an economic and social menace, for nobody in the family could even think of taking time off from work to read the things.

The trees, incidentally, sell like hot cakes for \$25—not \$25 per dozen but \$25 per EACH. Among the stores handling them are the famed Nieman-Marcus store of Texas.

When our English ancestors came to this country, there was always opportunity to be had by fighting the Indians and taking their land away from them and making farms out of it. When the Spanish came to the American Southwest, there was a similar condition. It is generally maintained that everything was hot-as-tot in those days, when EVERYBODY had a CHANCE, but now it's TOUGH because now there are no more tomahawk-bearing Indians to fight and no more land to be taken away from them.

Shucks! It's no different now than it was then. Before your ancestors could fight Indians and take their land away they had to IMAGINE themselves fighting Indians and taking their land away.

Before the present generation can design original clothes and intricate and alluring Christmas trees, they have to imagine themselves doing so. The process is exactly the same.

Only, I surmise, the present generation, when successful, makes more money at it and does it easier. And with less personal risk.

Church Plans Pioneer Skits

Pioneer days of the Methodist church in Klamath Falls will be depicted in two skits to be presented during the program Saturday night, May 23, in commemoration of the 54th anniversary of the founding of the First Methodist Church in Klamath Falls. The first rehearsal was held Tuesday night, the second will be held at 7:45 p.m. Thursday, May 21.

Mrs. Will Wood, daughter of the Rev. J. P. Bryant, pioneer minister in the church is directing. A second daughter of the Rev. Bryant, Mrs. Leon Lewis, Ashland, is expected to be here for the dinner and program. Other guests expected are Mr. and Mrs. George Newton, Eugene, former members of the congregation. The only living charter members of the church, Mrs. Caroline Lewis, Stockton, is also expected. She is the daughter of one of the earliest pastors, the Rev. Stockwell.

Tickets to the dinner may be had by calling the Sam Thompson office, 233 South 11th Street or 3688.

Clearwater Work Starts

The past few weeks many men have moved into the Chemult area and over 150 men are already at work on the series of dams and canals that are being built on Clearwater River and tributaries which flows into the North Umpqua. Al-

though this project is not in Klamath County the many workers and their families will get their mail and supplies at Chemult.

The past week working conditions at the various sites has been miserable and some could not take the rugged weather at this time of year with its snow, hail and mud. Many trailers are parked in Chemult and nearby Beaver Marsh awaiting opening of the Diamond Lake Highway so that they can get into camps being readied for them. The Highway Department is having a rugged time clearing the Diamond Lake road this year due

to the late snows and cold nights. Several large steel pipes, each one requiring one large truck, are being brought from Portland via 97 to the Briggs Logging Road and then on into the damsite.

Toketee Falls Dam is reported to be going along as per schedule. Up until the past ten days all entry to this area had been made via Roseburg, North Umpqua and through Steamboat.

When this is all finished California Oregon Power will have plenty of power to supply our fast growing southern part of the state.

OBITUARY

ROOMER
Mrs. John Rogers, 33, native of the Klamath Reservation, died in Weed, Calif., May 14, 1953. Survivors include her mother, Mrs. Viola Ruff, Jackson, Ore.; sisters, Mary Reese, Klamath Agency, Edna May Crane, Ventura, Calif.; Gertrude Harrington and Tina Hatcher, Chiloquin; brothers, Preston Kimbol, Walla Walla, Wash.; Richard Harrington and Charles Kimbol, Chiloquin. Funeral services, Friday, 10 a.m., Ward's Klamath Funeral Home.

Want to make a quick getaway?

For the sports-car-minded—wire wheel covers, optional at extra cost.

THE nearest we can come to word-picturing for you how it feels to drive a 1953 Buick with Twin-Turbine Dynaflow[®] is this:

When you toe the gas treadle, you can get away like silken lightning in a silent hurry.

More specifically, you can sweep your speedometer needle from zero to a legal 30 mph in the time you normally take two breaths.

Equally important, you get this dazzling getaway with whisper quiet—and with one smooth, progressive build-up of velvety power.

The literal truth is—no other car in all the world can get away with the combined quickness, quiet and

utter smoothness of a 1953 Buick[®] with TT Dynaflow.

It takes more than the advanced new engineering of this fully automatic transmission to produce such thrilling performance, of course.

It takes power, too.

And that's here in full measure—the highest horsepower and compression ratios, Series for Series, in Buick's fifty great years—with the world's most advanced V8 engine powering the SUPER and ROADMASTER.

There's a lot more you get in any 1953 Buick in generous and hard-to-match measure—room, comfort, ride

steadiness, visibility—and, above all, value.

But these are things you must discover for yourself—as you must the greatest Buick performance in history.

Why not drop in on us real soon? We'll be happy to put you at the wheel of a new Buick and let our points prove themselves.

*Standard on Roadmaster, optional at extra cost on other Series.

All set for Summer

AIRCONDITIONER for 1953 SUPER and ROADMASTER Riviera and Sedan models, available now at extra cost.
