Old Man Kills Self, Fires House To End Long Fight

PORTLAND (AP) — An old man killed himself Tuesday after first setting fire to his house. His sons said they thought that was his way of winning a quarrel with them over control of the house.

The old man was Jim Brusco, 83. Firemen, answering an alarm on the burning house, found his body hanging in a pear tree. He had been shot in the mouth.

Battalion Chief A. R. Buell said it appeared Brusco had set fire to the house, knotted the noose around his neck, then fired the shot. He said the sons, Michael and Daniel Brusco, said they bought their father's property for him at a tax sale in 1941 and he had been in court most of the years since to get full control of it from them.

Buell estimated damage at \$5,300.

Boy To Tour Sweden On Bike

PORTLAND (AP) — A 14-year-old Eugene boy, Teodor Lee Berg, saved \$850 and Monday night he left by train on the first leg of what is to be a bicycle tour of Sweden.

Young Berg saved the money by carrying a newspaper route, picking beans, and raising a pair of pigs and a pair of calves.

When he decided to make the trip, he wrote asking an audience with Sweden's king. A secretary replied the king would be away at the time but the crown prince would be available.

Teodor was born in Sweden while his parents, Mr. and Mrs. Willard Berg, were there on a visit in 1939.

'No Raiding' Pacts Reached

WASHINGTON (AP) — AFL and CIO leaders Tuesday reached a "no-raiding" agreement to respect each other's organizing rights.

The agreement was announced as an initial step toward merging the two big labor groups into a single 14-million member union federation.

The "no-raiding" agreement is subject to approval of the AFL executive council and CIO executive board, probably at August meetings, and also subject to ratification by the AFL and CIO conventions this fall.

The fact would submit any dispute over organizing workers to arbitration, or decision, by a neutral expert. It is to go into effect next Jan. 1 and continue for two years.

Heads of the big labor groups told newsmen the proposed agreement represents an important initial step toward merging their organizations. They said further merger talks will be held in the near future.

"Raiding" is the practice of one union trying to take over bargaining rights over a group of workers already held by another union. Such rivalry often catches an employer in the middle, causing labor

troubles over which he has no control.

Both AFL President George Meany and CIO President Walter Reuther have agreed "raiding" should stop. They have said it is a costly venture that sidetracks unions from their main job of organizing workers never signed up as union members.

With Kitchen Craft Flour

It's pre-bluffed for lighter baking!

Sifted superfine through silk. That pre-bluffs Kitchen Craft Flour . . . makes it blend more easily and thoroughly with other ingredients. Everything you bake is delightfully lighter, tender, even-textured. Kitchen Craft works wonders with any recipe. It's guaranteed! Switch to Kitchen Craft home baking. You'll eat better at a saving.

Homemade, light and tender! Make it this way. Line an 8" x 8" x 1 1/4" cake pan with waxed paper and sprinkle lightly with flour.

Sift together 1 1/4 c. sifted Kitchen Craft Flour, 1 tsp. baking powder and 1/4 tsp. salt. Combine 1 c. sugar and 3 egg yolks and gradually add 1/2 c. boiling water, beating until lemon-colored. Gradually beat in the flour mixture, beating only until well-mixed. Mix in 1 tsp. vanilla. Fold in 3 stiffly beaten egg whites.

Pour batter into prepared pan and bake in a moderate oven (375°F.) for 30 min. Cool slightly, and remove from pan. Cut through the cake crosswise, making two layers. This can be served hot or cold.

Fill between layers and on top with strawberries, sweetened to taste. Frozen berries may also be used. Serve with whipped cream.
