

STEER WRESTLING can be a very rough occurrence. You can imagine what is going to happen when that rodeo cowpoke above lands on the racing steer. This event is one of the many popular rodeo events to be seen at the big Klamath Basin Roundup rodeos here July 2, 3 and 4.

Korea Move Doesn't Bar Truce: Clark

SEOUL, Korea (AP)—Gen. Mark Clark, U.N. Commander, conferred today with President Syngman Rhee, then announced he can sign an armistice without South Korean approval, but he said doing so would "depend on instructions from my government."

"I am authorized at the present time to sign the armistice which has been drawn up," he told newsmen after what was apparently a short-drawn meeting with the rebellious Rhee.

"I am not trying to be overly optimistic. There are many problems. I feel somewhat more encouraged; more hopeful," he added.

Clark said he could not reveal why he was encouraged.

What effect the talk might have on an armistice was not apparent. Although Clark indicated the truce document was virtually complete, he said there still are problems.

"The truce timetable, which has been set by the Communists," he said, a truce could be completed promptly "if the Reds desire it."

Clark's comments indicated the free-swinging South Korean government would check with the U.N. command before taking any more such one-sided actions as its unilaterally released 27,000 anti-Red Korean prisoners since Wednesday night.

Rhee's action froze the armistice talks on the edge of signing and left the U.N.C. a plump target for the Reds, who demanded a resumption of the prisoners and U.N. control of South Korea if the Allies wanted an armistice.

South Korea showed no remorse or inclination to change its stance against any truce which would leave Korea divided despite a burning Allied anger. Its Prime Minister insisted just before the Clark-Rhee meeting that South Korea gave the Allies command of its troops and could just as easily take them off the battlefield.

However, Clark made it clear that he feels he is boss of all U.N. forces—including the 16 ROK divisions. He said there is no question that the ROK Army is "under my command."

Rhee Reported Set To "Go It Alone"

NEW YORK (AP)—The New York Herald Tribune reported today from Seoul that South Korea has given formal notification that it will withdraw its troops from United Nations operational control rather than go along with the present armistice terms.

The newspaper's copyrighted dispatch, by Correspondent Marguerite Higgins, appeared in print before today's conference between Gen. Mark Clark, U.N. commander, and South Korean President Syngman Rhee. After the meeting, Clark indicated Rhee does not now plan to yank his 16 ROK divisions from the U.N.C. Clark said he

was encouraged by the talk.

In her dispatch, Miss Higgins said that "the cease-fire as negotiated at Panmunjom is definitely out."

"An armistice in Korea is as far away as ever unless the United Nations and the Communists can agree on some formula for enforcement."

ing a separate truce exclusive of the South Koreans."

The views of the South Korean government were transmitted by Rhee in a letter intended both for the United Nations Command for President Eisenhower, the paper reported.

Psychologists Vote Officers

SEATTLE (AP)—The Washington and Oregon State Psychological Associations Saturday voted to hold their 1954 conventions together, probably at Washington State College, Pullman.

Meeting in conjunction with the Western Psychological Association here, the Washington and Oregon groups named Dr. David Ehrenfreund, WSC, and Dr. Fred Curtis, Reed College, Portland, presidents-elect, respectively.

Other officers named for the Washington group included Eldon Jacobson, Ellensburg, executive committee.

Elected to office in the Oregon association were Dr. Leona Taylor, Eugene, executive committee; Sister Marian Dolores, Maryhurst College, Portland, secretary-treasurer; and Dr. Robert Leeper, University of Oregon, Eugene, president, succeeding Dr. William B. Singer, Vancouver, Wash.

Square Dance Newsnotes

By CLAIRE ELLIS
Pop that whip and jerk that line. Let's all dance and have a good time.

Street dances have a gale, festive air and the ones we have been having lately were a bit airy to say the least but loads of fun. Several times at the YMCA street dance the record player came out second best in a tussle with the high wind.

Mr. and Mrs. Paul Thomas were judged the best-dressed square dance couple at the Saturday night street dance and awarded a \$25 merchandise prize, donated by Sears Roebuck and Company. The winners were well chosen, being from a square dance family and our most faithful dancers.

The A & I Folk Dance Club entertained at the YMCA street dance Wednesday evening with the beautiful Tennessee Waltz. This versatile group is also learning contra, an early day type of line dance. Monday evening the A & I are having their first anniversary party at Jen-Eds. Shirley and Bill Mayhew are the instructors for this colorful, costumed group.

Bend square dancers are having the annual jamboree July 18 and all basin dancers are invited. Congratulations to the Tom Orrs on their first grandchild, a son born to daughter Caroline. Bea is on her way for a visit with the young man.

Surely hope Wally Henry will be dancing again soon—and Marianna Kerr too.

Hope to see all of you at the rodeo dance June 27 at the armory with square dancing to begin at 7:30 to the luscious Cornpoppers. In addition the Carlyles, a top recording group, will present a floor show.

Over a hundred square dancers enjoyed the free square dance presented by Dick Fenwick general owner of the Red Barn in Dorris. Live music by fiddler Everett Barker and guitarist Don Bellin.

Guest callers were J. D. Stanley, Mr. and Mrs. B. M. Antle and Tom Swift of the Ashland Promoters, Ashland. Dancers came from Bonanza, Merrill, Ashland, Macdon, Dorris, Keno and Klamath. Fenwick plans another dance soon after July 4. Otto Ellis is caller for this group.

There was more dancing this past week than you could shake a stick at. Two street dances, Jen-Eds open Saturday night square dance; all these in addition to the regular club dances of the A & I, Moose Lodge, Circle Eighters, Do-so-do and Minute Club. Whew! We fell like—

The little red wagon
Hind wheel broke and axle
draggin'.

Work Starts On Lakeview Roads

LAKEVIEW—Work on the highway improvement project through Lakeview got a good start last week. It will include drainage, curbs and paving on one mile of the highway street.

The work is being done by the highway department on a contract held by J. C. Compton Company, McMinnville. The present drainage work is being done by Johnson & Amens, of McMinnville, holders of a sub-contract for the drainage, curbs and grading. Duane Amens of the sub-contracting firm, is here supervising the work.

Jake Compton, of the prime contracting firm is here setting up a rock crusher near the mouth of Warner Valley to prepare for the oil surfacing. Compton also holds the contract on 8.37 miles of paving on the Westside road, a county-state federal project.

Lakeview Courthouse Vote Next Friday

LAKEVIEW—All registered voters of Lake County will have the opportunity to vote Friday, June 26, on the matter of the proposed two-year serial tax levy totaling \$196,000 for the county courthouse fund. Voting will be from 8 a.m. to 8 p.m. at the polling places in the county's 18 precincts.

The election was called by the county court. Plans have been presented for a new courthouse to cost an estimated \$275,000 and the county has upwards of \$192,000 already in the building fund and the memorial fund together (including interest those funds have earned up to January 1). The difference between the estimated cost of the building and the amount of the present fund plus the proposed tax levy would go toward new furniture and equipment for the new building.

Coon Urges NW Wheat to be Shipped

WASHINGTON, June 19—Sam Coon today urged the Secretary of Agriculture to ship Pacific Northwest wheat to Pakistan.

In a letter to Ezra Taft Benson, the Eastern Oregon Congressman said "I hope that wheat from the Pacific Northwest will play an important part in prospective wheat shipments to Pakistan."

Congress is now considering legislation to authorize shipment of a million tons of surplus U.S. wheat to Pakistan to help avert a famine. Shipment of the wheat was urged by President Eisenhower in a message sent to Congress June 10.

Congressman Coon pointed out in his letter to the secretary "that a very large amount of wheat is now in storage in government hands in the Northwest; that a substantial quantity of this wheat is now at dockside and ready for early shipment; and that unless some of the wheat in Northwest elevators is moved before next harvest, it will be necessary to provide expensive additional storage space for wheat."

He added that Northwest wheat varieties are well-suited for use in Pakistan food supplies, and stated that it is a shorter haul from Portland to Pakistan than from ports on the east coast of the U.S.
