The shipment was held up at Blaine and the offending hogs quarantined for examination. U. S. officials at Washington extended the embargo to all further shipments from the province.

A Calgary livestock agent said he understood that testing of foot-and-mouth disease would take about 72 hours. "I do not think it will be serious," he said, "and we can expect the ban to be lifted by the end of the week."

Meanwhile, 185 hogs consigned from Edmonton to the U. S. are held up in Alberta stockyards at Calgary. Also delayed were four loads of Calgary cattle.

**Malin Awaits Trainload Of Scouts**

**MALIN** — Saturday at 3 p.m. the first big train load of 350 Boy Scouts will arrive at the Malin Great Northern Station for a swim and their evening meal. Two other trainloads are scheduled to stop over at Malin within the next two weeks.

The 571 boys stopping in Malin Saturday will be from Philadelphia, Penn., West Trenton, N.J., and Wilmington, Dela. Others on this particular train will have had their swim at Bend but will eat at Malin.

This is a lot of boys to converge on a town the size of Malin and the Chamber of Commerce, headed by Lou Drager, is not going to let such an opportunity slip by to praise the merits of Malin. They have had picture post cards made showing aerial views of the city of Malin, as well as of the Malin Community Park, to pass out to the boys. As their stop over here will be around four hours, the boys will have ample time to write back to the home folks on these souvenir cards. Those mailing them from the Malin Postoffice will have stamps furnished by the local Chamber of Commerce. A special box will be set up for convenience in mailing, as well as at the Postoffice.

After enjoying their swim at the Malin Pool, rated as one of the finest outdoor pools on the West Coast, the boys will be served their evening meal at the Grade School Cafeteria and Gymnasium by members of Prosperity Chapter, Order of the Eastern Star, Rainbow Girls and Masonic Lodge No. 194.

The menu being prepared will contain 315 pounds of roast beef.

around 11 gallons of gravy, four sacks of "Klamath Method Gem Potatoes," 24 gallons mixed vegetables, 40 gallons fruit, 72 loaves bread, 20 pounds butter, 1,143 cookies, 1,200 half pints milk and 200 cups of coffee.

The 17-car train will have two baggage cars, one dormitory car, nine coaches, two sleepers, two diners and one baggage car equipped with tables and benches for dining. It will leave here at seven p.m.

Ronnie Kallina, son of Mr. and Mrs. Vats Kallina, will be the only local Boy Scout to attend the Boy Scout Jamboree. He will leave by bus from Klamath Falls Saturday.
