

GRANDMOTHER, DAUGHTER AND GRANDDAUGHTER . . . three generations all in direct lineal descent are pictured. Mrs. Stroud, left, and her husband, Howard Stroud, are the parents of Mrs. Thomas Hans Newton, center; and grandparents of 8 months old Judith Ann (Judy).

Mrs. Newton (Pat) and Judy were visitors at the Stroud home, 1878 Melrose for two weeks; and the household was busy with callers to renew acquaintanceship with Mrs. Newton and to greet the Stroud's new (to Klamath Falls) granddaughter. They left July 24 to join Dr. Newton in San Francisco, where he started his residency July 1 in the University of California Hospital after a year's internship at Madison, Wisc.

Both Dr. and Mrs. Newton are graduates of UC; and their marriage was the culmination of a college romance.
