

MARKETS AND FINANCE

Livestock

CHICAGO LIVESTOCK
 CHICAGO (U) — An overnight cut-back in the salable hog supply succeeded Thursday in slowing the precipitous decline which prices have suffered this week.

At steady to 25 cents lower prices most butcher hogs sold from \$9.00 to \$22.75 and sows from \$16.75 to \$31.00.

Cattle were steady to 50 cents lower but vealers looked steady to stronger. Good to low prime steers and yearlings sold from \$30.00 to \$28.25 and good to prime heifers from \$19.00 to \$24.00.

Lambs were weak to 50 cents lower but ewes held steady. Most good to prime lambs ranged from \$23.00 to \$26.00. Ewes brought \$6.25 and below.

Salable receipts were estimated at 5,000 hogs, 2,500 cattle, 400 calves and 2,000 sheep.

Potatoes

CHICAGO POTATOES
 CHICAGO (U)—Potatoes: Arrivals 101, on track 294; total U. S. shipments 359; market firm for good stock; California long whites \$2.90-3.25; Idaho-Oregon long whites \$2.75-3.00, round reds \$2.75-3.10; Washington long whites \$2.95, round reds \$3.25.

Grains

CHICAGO GRAIN
 CHICAGO (U) — Grains developed a firm trend after spending most of the session hopping about aimlessly on the board of trade Thursday.

The most strength was shown by oats, largely on belief a government crop report next week will record a sharp drop in estimated production of this grain. Soybeans also developed some late strength, and corn scored a slight advance.

Wheat lagged behind other cereals. It was strong at the opening, but quickly gave up its advance. Some grain men felt reports of stem rust damage in the Northwest had been overemphasized.

Wheat closed 1/4-3/4 higher, Sept. 1.95-2.00, corn 1/4-1/2 higher, Sept. 1.46-1.50, oats 1/4-1/2 higher, Sept. 75-76, rye unchanged to 1 cent higher, Sept. 1.24-1.25, soybeans 1/2 to 2 cents higher, Sept. 2.56-2.57, and lard 22 to 42 cents a hundred pounds higher, Sept. 11.55.

Wheat

Open	High	Low	Close
Sep 1.95 3/4	1.96 3/4	1.94 3/4	1.95 3/4
Dec 2.03	2.03	2.01 1/2	2.01 1/2
Mar 2.05 1/2	2.08 1/2	2.06 3/4	2.70 1/2
May 2.09 3/4	2.09 3/4	2.08 3/4	2.08 3/4

STOCKS

WALL STREET
 NEW YORK (U) — Higher prices in the stock market Thursday encouraged expanded buying.

Gains ran to around a point at the best with the greatest part of the advance confined to minor fractions.

Despite the seeming slight edge, gains were well distributed throughout the list.

Volume came to an estimated 1,200,000 shares. That compares with 1,080,000 shares traded Wednesday.

Wood River

Pioneers Meet At Fort Aug. 15

FORT KLAMATH — On Tuesday evening, Aug. 4, a meeting of officers of the organization was called by President Emmett Sisemore of Wood River Pioneers and Old Timers for the purpose of making plans for the forthcoming 4th annual social evening get together and picnic to be held August 15 and 16. In addition to all the officers of the group, a few members were also in attendance.

The get together will be held in the C. I. clubhouse Saturday evening, Aug. 15, preceded by a church benefit dinner given by the Women's Society for Christian Service of the Fort Klamath Community Methodist Church, with serving from 5 until 8 p.m., after which the evening will be spent socially following a business session of the Wood River Pioneers and Old Timers at which election of officers for the ensuing year will be among matters on the agenda.

The big annual picnic is slated for 1 p.m. the following day at the usual site, the Jackson P. Kimball state park at the head of Wood River. An innovation this year will be awarding of prizes, six in all, to the following categories: — one each to the oldest pioneer member man and woman, in point of age, who is present at the picnic; also to the pioneer man and woman attending who was the earliest arriver in Wood River Valley; a prize apiece to the man and woman member of the organization who has traveled the most miles to be present at the picnic. Appointed to purchase suitable prizes were Guss A. Page and Mrs. Gene A. Page.

Coffee and ice cream will be furnished by the organization, and named by the president as a committee to purchase these and other necessary picnic supplies as well as to take charge of the tables at the picnic grounds were Mrs. Wilbur Zambert, Mrs. C. William C. Martin, Mrs. Emmett McKeever, Mrs. James Leggett and Mrs. Harold Wimer. Coffee for the gathering will be brewed in the huge coffee boiler which has been used annually for the picnic, formerly the property of Mrs. Myrtle Denton, which has been sold to the organization. In charge of the coffee detail will be Mrs. Denton, Mrs. Katharine Nichols (Wood River Valley Pioneer matron spending the summer here from Susanville, Calif.) and Emmett Sisemore. The latter will also head the work crew, composed of Guss A. Page, William A. Page, Stewart Nicholson, Fred L. Pope, Emmett McKeever, Harold Wimer, Bert Gray and William Lambert. This committee will do all the heavy work involved, including moving and setting up tables, chairs, etc., to and from the picnic site at Kimball Park.

Each person attending is asked to bring his own personal table service and a contribution of food for the potluck picnic lunch.

President at Tuesday evening's planning session were officers of the organization as follows: — president, Emmett Sisemore; vice president, Mrs. Myrtle E. Denton; secretary, Mrs. Harold L. Wimer; treasurer, William A. Page; director, Emmett Nicholson. In addition, those attending were Mr. and Mrs. Bert Gray, Guss A. Page, Harold L. Wimer and Mrs. Katharine Nichols.

Sex Charge Lodged Against Boy, 18
 An 18-year-old Summers Lane boy was held in the County Jail Thursday on a charge of contributing to the delinquency of a 6-year-old girl.

He is Roger Dale Ellen, the mother of the child signed a complaint against him. District Attorney Frank Alderson said the boy signed a statement admitting the charge.

When arraigned before District Judge D. E. Van Vactor, the accused child molester asked for additional time to decide whether he would file preliminary hearing. He was remanded to the custody of Sheriff Murray Britton. Bond was set at \$200.

Malin Hail Damage Great
 Damage done by the hail storm in the Malin area Monday afternoon was yesterday estimated as serious by some farmers.

Jerry Rajnus reported that hail hit an area 600 acres square, mostly in alfalfa. Ranches affected, said Rajnus, were the Johnson, Stratton, Micka, and Cornett ranches.

Hail was three inches deep on Monday and had not melted the following day, according to the report.

Ninety acres of barley on the Rajnus ranch are a total loss as a result of the hail, Mr. Rajnus said. He estimated the yield at 35 sacks to the acre. The crop was partly covered with insurance.

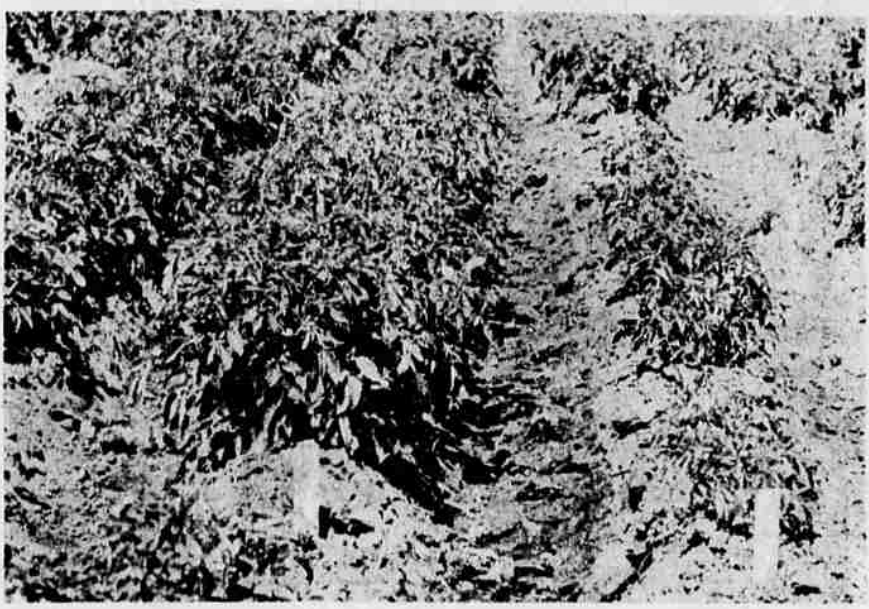

The hail also hurt a lot of potatoes, Rajnus claimed.

There were also rumors of slight hail damage to barley and potatoes in the Henley district and around Tulelake. The extent of the damage is not yet known.

BUSY GIRL SCOUTS served coffee at the big square dance jamboree on Modoc Field, Aug. 1. Rear row (l to r) Maureen Novak, daughter of Mr. and Mrs. John Novak, 1919 Manzanita; Mrs. Orval T. Taggart, leader, Mrs. Earl Clark, leader. First row, same order, Judy Farrell, daughter of Mr. and Mrs. John Farrell, 4670 Cannon Ave., Darlene Clark, daughter of Mr. and Mrs. Earl Clark, 5133 Harlan Drive, Penelope (Penny) Lee, daughter of Mr. and Mrs. E. P. Lee, 1965 Portland, Joan Langdon, daughter of Mr. and Mrs. Jesse Langdon, 4400 Peck Drive and Betty Sue Taggart, daughter of Mr. and Mrs. Orval Taggart.

FIELD DAY VISITORS at the Tulelake field station will have a chance to see such examples of work as that pictured here. This picture shows vigor differences between two lots of good seed, showing the results of different manners of handling.

Tulelake Field Station Slates August Field Day

By BURT HOYLE
 The public is invited to a field day at the Tulelake Field Station to be held Aug. 11 to observe and discuss the work being done here on potatoes and horseradish. We limited ourselves to these crops this year, since barley was well covered at the recent barley meeting, at which time a visit was made to the station to observe the barley work.

A summary of six years' experimentation on various fertilizers on potatoes will be presented. This covers yield, storage ability, and per cent of different grades produced by using different fertilizers. We will also observe the experimental potato storage cellar and discuss what makes a good storage, and from the construction end, what materials make the best structure to store potatoes in.

Another thing which will be observed will be vigor of various potato seed lots as influenced by different kinds of storage and handling. Many different potato seed treatments are experimented with and these will be observed also.

We have several different varieties of potatoes on the field station, which include: Huma, Kennebec, Sebago, Ontario, Katahdin and Menominee. These different varieties show different growth characteristics and one of them may become an important variety in the near future in California.

Horseradish will be of interest to many this year. This crop is growing nicely on the station and looks very promising. It will be observed and discussed on this field day.

Enclosed is a picture showing vigor differences between two lots of good seed. The differences in growth and stand between the row on the right and the row on the left is due to some handling practiced by the two different growers. We will study the factors which produced these differences and some of these things will be discussed at the field day.

Weather

Grants Pass and Vicinity — Partly sunny through Friday with scattered showers and thunderstorms, mostly in nearby mountains. High both days 86. Low Thursday night 56.

Cool Bay Area — Cloudy through Friday with a chance of morning drizzle and partly sunny afternoons. A few widely scattered afternoon showers. Bar winds variable, mostly westerly 5 to 15 miles an hour. High both days, 68. Low Thursday night 55.

Northern California — Fair through Friday but fog and drizzle on the coast and a few showers near the Oregon border. Temperatures still below normal. Northwest winds 10-20 miles an hour near the coast.

Western Oregon — Partly cloudy through Friday with scattered lightning storms and showers, mostly over mountains. Cloudy along the coast with local morning drizzle Friday. Highs 80-85 except 65-70 along the coast. Lows Thursday night 50-60. Winds off coast variable, becoming northerly, 10-20 miles an hour Friday.

Eastern Oregon — Partly cloudy with scattered showers and thunderstorms through Friday. Highs 85-95. Lows Thursday night 55-65 except about 3 degrees lower in high valleys.

JAP STRIKE ENDS
 TOKYO (U) — A four-day strike of 3,800 Japanese workers at a U.S. security forces base in Kure was called off Thursday. A settlement was reached between the union and the U.S. forces, Kyodo News Agency reported.

Portland Cops Wound Man

PORTLAND (U) — A man was wounded by two shots from a police revolver shortly after the 84 burglary of a market southeast of here late Wednesday night.

He was identified as William Wells Jr., 25, Portland. He was shot in the left hip and right ankle. He was placed under armed guard at Multnomah County Hospital, where attendants said his condition was not serious.

Robert Eugene Averil, Portland, called deputies after he had seen a man smashing the glass on the front door of the store. Sgt. Garth Stackhouse and another deputy arrived as the man ran from the rear of the building and started off in an old model truck.

Stackhouse followed in a Sheriff's car, firing as the man weaved from side to side in an effort to jump out. He said that after a half-

mile chase the man leaped clear of the moving truck and ran past his car. Stackhouse said he aimed for the legs when the man refused to stop.

Stackhouse added that the \$4 obtained in the burglary all was in pennies.

Ex-POW Shaves Beard, Age 2 1/2

INCHON, Korea (U)—W. O. Dwight E. Cox, 50, of Fresno, Calif., grew a long bushy beard during 2 1/2 years in a Communist prison camp.

Today, he shaved it off.

He said he had no reason for his trip to the barber shop except "I have a wife and five kids waiting for me in Fresno."

How To Hold FALSE TEETH More Firmly In Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little PASTEETH on your false teeth. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, sticky, paste or glue. Does not sour. Checks "plate odor" (denture breath). Get PASTEETH today at any drug store.

Personal To Women With Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bleeding, irritations due to cold or wrong diet may cause setting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. It's amazing how many times Doan's give happy relief from these discomforts. Help the 10 miles of kidney tubes and filters help out waste. Ask for new, large, economy flush-out waste. Get Doan's Pills today! Save and save money. Get Doan's Pills today!

AERIALISTS PAST AND PRESENT — Mamie Ward gives a helping hand to La Norma, sensational Danish trapeze star, to be seen with the fifth annual Klamath Falls Shrine Club-Polack Bros. Circus at the Klamath Falls Fairgrounds, Monday and Tuesday, August 10-11. Besides being wardrobe mistress of the circus, Mamie is mother of three of the Nine Ward-Bell Flyers and is a former famous flying trapeze star in her own right.
