Ex-Gem Wins Vital For Salem

By The Associated Press
Salem's Joe Nicholas tossed a five-hitter at the Yakima Bears Thursday night, enabling the Senators to regain lost ground in the tight Western International Baseball League pennant race.

Nichols formerly pitched for the Klamath Falls Gems of the now defunct Far West League.

The Senators climbed to within a game and a half of first place Spokane on the strength of the 9-1 win at Salem, and a split in the Spokane-Calgary doubleheader at Calgary. The Indians won the seven-inning first game 7-6 but Calgary took the nightcap 11-4.

Nichols notched his 18th win against four losses as he silenced the normally potent Yakima bats. The Bears only run was unearned. Herman Lewis scoring in the eighth on a base on balls followed by a pair of Salem errors. Shortstop Gene Tansell provided Salem's batting punch. He collected four hits including a three-run homer in the second inning.

EIGHT HOMERS

Spokane and Calgary pitchers dished out eight home run balls in the doubleheader at Calgary. Stan Palys homered three times for the Indians and Will Hately and Jim Connant had one apiece. Charlie Mead, Rocky Tedesco and playing-manager Gene Lillard homered for Calgary.

At Edmonton, the Lewiston Bronco defeated the Eskimos 4-2 and tied them in fifth place in the standings. Dean Kime was the winning pitcher although he needed help in the ninth after Edmonton scored one run with only one out. John Marshall relieved Kime and retired the next two Edmonton batters.

FIREMAN

Jess Dobernic also came in as a fireman and saved an 8-7 win for Tri-City over Wenatchee. Dobernic took over from Don Robertson in the eighth and used only five pitched balls to end the game. The first Wenatchee batter to face Dobernic in the eighth flied out and three went down the same way in the ninth.

Pitcher Bill Prior won his own ball game at Victoria, singling in the winning run with two out in the last of the ninth to give the Tyees a 4-3 win over Vancouver.

Salem and Tri-City swap opponents Friday night, with Wenatchee opening a five-game series at Salem and Yakima moving to Tri-City for a five-game stand.

Ted Williams May Start Soon

Slugger Fails In First Try

BOSTON (AP)—Ted Williams, the last of the 400-hitters, is back in competitive action and most likely will be the Boston Red Sox' starting left fielder again in about two weeks.

Williams went to bat for the first time since April 30, 1952 in a crucial pinch-hitting situation during yesterday's game with the St. Louis Browns.

With the Red Sox trailing, 6-7, in the ninth with runners on third and first with one out, Manager Lou Boudreau told Williams: "Ted, I've got to use you now."

Thereupon Williams batted for rookie outfielder Tom Umphlett and lofted relief pitcher Marlin Stuart's fourth pitch into the easter hands of first baseman Dick Kryhoski.

FIRST PITCH

Stuart's first pitch to Williams was a strike and the next a ball. Williams then brought the 6,792 spectators to their feet by lashing a foul into the right field stand.

After the dejected Williams returned to the dugout, Jim Piersall singled in the tying run. But Bob Young homered the Browns into an 8-7 victory in the 10th.

"I saw the ball good all the way," Williams explained. "Stuart threw me four screwballs. That's a good ball to hit on the ground but I wanted to get it up in the air, not into a double play. But I got under it too much."

Screwball. "Yes, that's all I gave Ted," Stuart agreed. "You see a screwball goes away from a left-handed batter and it's fairly effective. But I wasn't worried about Williams doing anything much against me. He's only got one single off me—to left field—since I came into the league."

Actually Williams, who rejoined the Red Sox only 10 days ago after 15 months service as a Marine jet-fighter pilot, is delighted about his physical condition, despite his blistered hands.

"I'm much farther advanced than I expected to be at this time," he explained.

Williams, who was in the Marine Corps for four years, is now in the Red Sox' lineup.

'Dusting' No Longer In Fashion

By GAYLE ALBOT

NEW YORK (AP)—Out of a routine "dusting" episode in a game between Brooklyn and Milwaukee the other day has come a sharp note from National League headquarters condemning the practice, which is as old as baseball itself, and placing an intolerable burden upon the league's umpiring staff.

Previously, an umpire could only caution a pitcher for "loosening up" a batter—and nine times out of 10 get cussed out for his pains.

Now, as we interpret President Warren Giles' message, the hard-pressed arbiters are ordered to convict the erring hurler on the spot and turn him in for disciplinary action. Giles has promised to take a "firm position."

CONTRARY

Contrary to some opinion, umpires are not dumb. If anything, their intelligence averages a little higher than that of the athletes around them. Most of them have played baseball, and they fully realize that every pitcher at one time or another "loosens up" a batter, moves him back from the plate, with a hard one around the cap brim. They accept it as part of the game and rather resent the role of policeman which has been forced upon them. As it happens, we only recently had a conversation on the subject with one of

a duster and a pitch that "gets away."

We pause to wonder what will happen the first time an umpire orders a pitcher off the hill for parting a batter's hair in a close game. That should prove worth the price of admission. The odds are long it never will occur, or that an umpire will ever lodge an official charge against a pitcher, for that matter.

Giles' finest.

"Of course I know they're throwing dusters," he conceded. "I ducked plenty of 'em in my day. Now and then I'll speak to one of them about it, but they deny it every time and usually their manager comes running out and holds up the game. After all, it comes down to my opinion against the pitcher's word. I don't need trouble that bad."
