

VERTICAL RAILROAD—They haven't started running trains up and down the Eiffel Tower, appearances to the contrary. The fast passenger train streaking down the impossible-looking grade is a British express, crossing London's mighty Fourth Bridge, as seen from an unusual angle. The House of Commons is at present discussing the possibility of adding a toll-road deck to the structure, which now carries only railroad traffic.

17 Disabled GIs Head Home By Plane, Others By Boat

By WILLIAM J. WAUGH

PANMUNJOM (U) — Seventeen disabled but happy Americans left Tokyo tonight by plane for the United States, leaving behind grim months in North Korean prison camps.

Another 328 Americans boarded a Navy transport in Inchon harbor and will sail for home tomorrow. About 1,800 U. S. Marines returning home on regular rotation also are aboard the ship, the Gen. Nelson M. Walker.

The Big Air Force plane carrying the vanguard of more than 3,000 Americans scheduled to be liberated in the massive prisoner exchange took off from Tokyo's Haneda Airport at 7:07 p.m. (5:07 a.m., EST, Monday).

Although destination and landing time were not given, the transport probably will set down at Travis Air Force Base near San Francisco about noon Tuesday.

The ship probably will take about two weeks to cross the Pacific to

Seattle or San Francisco.

Monday saw 389 more Allied soldiers return from North Korean stockades—laughing, happy Americans, British and Turks, and 189 South Koreans, many of them human wrecks.

Panmunjom's mood swung sharply between sadness and gaiety Sunday, depending on what nationality was on the trucks.

The 125 Americans and 25 Turks all appeared in good condition. The British, 50 in all, were in excellent spirit.

But there were grim faces among tough U. S. Marines who unloaded Red ambulances loaded with wasted, emaciated ROK soldiers.

And cynical Communist press photographers largely stayed away since the South Koreans living dead offered no propaganda possibilities for them.

There were 200 non-Koreans exchanged Monday. It was the first day that more non-Koreans than ROKs have been returned. Early Monday the Reds suddenly announced they were substituting 25 more Americans and 25 more British for 50 South Koreans. Whether this was merely a mixup in the Red schedule or had some deeper significance remained to be seen.

There was speculation the Reds made the sudden switch to avoid delivering the ghastly ROK litter cases before the eyes of India's Foreign Minister R. K. Nehru. Nehru, a member of the Neutral Nations Advisory Commission which will oversee prisoners who refuse repatriation, reached Panmunjom in time to witness the third hourly delivery of prisoners. This was the exchange group that was switched by the Reds.

Tuesday's group, the Reds announced, all will be in good health. It will be made up of 100 Americans, 25 British, 25 Turks and 250 South Koreans.

The total will raise the number of U. N. soldiers returned in seven

days to 2,774, including 623 of 3,313 Americans the Reds said they held. The Communists have said they will return 12,763 prisoners all told.

There were fewer incidents in the switch Monday. The only trouble came from a handful of North Korean prisoners who jumped off their northbound trucks here and appeared ready to start a fight.

They claimed some South Koreans had thrown stones at their truck. Military police and other Red prisoners restrained them with angry shouts. There was no further trouble.

The Reds moved north, singing Communist songs as usual. "Sing, you so-and-so's, sing!" shouted some returning British. One other Briton snapped, "We're getting cheek from those North Koreans waving flags."

While Allied soldiers told of grim months under Communist captivity, Red propaganda mills broadcast stories of "brutality" in U. N. POW camps.

Peiping radio, commenting on the condition of returned North Koreans and Chinese, said, "Eighty-eight mental cases were recorded the first three days. They were driven mad by American torture."

Peiping declared one returned prisoner "was wounded by American guards in his stomach, arm and leg."

"He was taken for four experimental operations with the result," Peiping said, "that his wounds be-

came worse and his legs finally were paralyzed."

As the exchange progressed smoothly, Nehru met Maj. Gen. member of the Military Armistice Commission, and Gen. Lee Sang Cho, Bryan's Communist counterpart.

Indian Maj. Gen. S. P. Thorat, chief of an Indian advance party of six which arrived at Munsan Sunday, said Nehru would meet Red leaders at Pyongyang Wednesday.

WIESBADEN, Germany (U) — All 24 men who parachuted from their disabled C119 Flying Boxcar over the Libyan desert late Saturday night have been found alive, the U. S. Air Force's European headquarters said here Monday.

Twenty-one of the airmen were found earlier. The other three were spotted later by an air rescue party.

The plane crashed in the desert 60 miles south of the big U. S. Air Force base at Wheelus Field, Tripoli.

The survivors, none seriously injured, were taken by helicopter and ground rescue teams to the Air Force hospital at Wheelus.

Some of the survivors suffered cuts and bruises and ankle injuries as a result of the jump.

5,700-lb. Thrasher

Shark Dragged In

SANTA CRUZ, Calif. (U) — Skipper Victor Ghio reported today he netted a thrasher shark which weighed 5,700 pounds.

The 20-foot monster was reported to be the largest thrasher shark ever caught in the Pacific near here. It did \$1,000 damage to Ghio's nets.

INTERCEPTED

HONG KONG (U) — The Danish freighter Heinrich Jessen was intercepted and boarded Sunday off Amoy, a radio report received by the British Navy here said. The 3388-ton ship, which left Hong Kong early Sunday, reported first that it was being fired on, and further that it was being boarded by unidentified attackers. There was no additional message.

Rinso Guide to Soaps and Detergents

These helpful directions explain for the first time which to use for every job. Presented by Rinso, the only brand to offer you both—famous Rinso Soap and sensational new Rinso Detergent.

BLANKETS: Use the Soap

Blankets shouldn't stay in your washer more than a minute: agitation while wet shrinks them. Rinso Soap removes a lot of dirt fast—and leaves your blankets soft and fluffy! Yet you now pay about 5¢ less for it than for detergents.

CURTAINS: Use either

As long as you make plenty of suds, either product will do a beautiful job of washing your curtains. Both Rinso Soap and Rinso Detergent get curtains dazzling white—for an interesting reason. Both Rinsos contain SOLIUM.

DIAPERS: Use the Soap

One sure way to be careful of baby's tender skin is to use only soap for washing diapers and all baby clothes. The mild, gentle soap in Rinso Soap leaves diapers extra soft and non-irritating. The SOLIUM leaves them white as snow!

DISHES, GLASSWARE: Use Detergent

Everybody knows detergents do a better job on your dishes than soap. But this new Rinso Detergent does even more—it washes up to twice as many dishes as the most popular detergent, and is wonderfully gentle to your hands.

DRESSES: Use either

Your white dresses look whiter than new, print dresses brighter than new, washed in Rinso Soap or Rinso Detergent—thanks to the SOLIUM. Rinso's rich suds remove dirt so efficiently that most stains need hardly any pre-scrubbing.

LINOLEUM: Use the Detergent

If the linoleum is really dirty, use a detergent to get it clean before you wax. Rinso Detergent suds are particularly good for removing greasy or sticky stains from your kitchen linoleum. Use as little water as possible.

WORK CLOTHES: Use either

Choose either Rinso for doing work clothes. Rinso Detergent is exceptionally good in hard water, and you don't have to rinse unless you want to. Rinso Soap gets out slightly more dirt, and you now pay about 5¢ less for the Soap.

SHIRTS: Use either

Your husband's shirts will turn out gloriously clean and white, washed with Rinso Soap or new Rinso Detergent. We guarantee he'll be delighted. The SOLIUM in these two extraordinary Rinsos will give him the whitest shirts ever.

SYNTHETIC FABRICS: Use either

You can safely wash almost any fabric in the friendly suds of Rinso Soap or Rinso Detergent. Not only your cottons, but also the new synthetic fabrics. They'll all be perfectly at home in gentle, thorough-cleansing Rinso.

TOWELS: Use either

Your white towels will be whiter than new—and wonderfully fluffy—if you wash them in either the Soap or the Detergent. Why? Because both Rinsos are perfect for getting out dirt. What's more, both Rinsos contain SOLIUM.

WOOL SWEATERS & SOCKS: Use Soap

If you want your wool sweaters and socks to stay soft, wash them in soap suds. Home economists will tell you that washing with Rinso Soap removes less of the natural oil from the wool, and this helps keep it soft and fluffy.

SHEETS: Use either

The truth is that either the Soap or the Detergent will do your sheets to perfection. Both Rinsos contain SOLIUM, to leave your sheets white as can be. And both leave sheets so soft and smooth, you only have to iron the top quarter.

SAVE 5¢ ON SOAP!

Your grocer now has Rinso Soap on sale at special low prices. You save more than ever!

Each Rinso is the best in its class. Each contains SOLIUM. Each will do a terrific job for you. You can't go wrong if the name is Rinso!
