Public Relief Asked By Mrs. Vanderbilt Jr.

NEW YORK (AP) — Mrs. Cornelius Vanderbilt Jr., trying to obtain some money from her wealthy globe-trotting husband, applied this week for public relief.

The blonde 33-year-old beauty insisted she was destitute except for two pawn tickets on jewelry and a mink coat, and had no place for her or her 11-year-old daughter to lay their heads.

Welfare authorities told her to sell the tickets and come back when she is broke as the other people in line.

Vanderbilt got a Reno divorce from Patricia, his fifth wife last June, but Mrs. Vanderbilt's lawyer maintained it was nothing but a "mail-order" divorce which New York does not recognize.

The couple have been scrapping in the courts for some time with Mrs. Vanderbilt holding a non-support warrant against him based on the contention she is about to become a public charge.

Man Litters Street With Traffic Ticket

SANTA MONICA, Calif. — George Cross Jr., 23, apologized in municipal court for tearing up a traffic ticket in front of the officer who issued it.

"I didn't realize what I was doing," he told Judge Thurlow T. Taft yesterday.

The apology didn't help much. Taft fined him \$20 for driving 45 miles an hour in a 25-mile zone. And he added a \$10 fine for littering the street with paper.

ELECTRICAL FAILURE
WIESBADEN, German (AP) — Electrical failure was blamed Tuesday for the crash of a U.S. Air Force C119 Flying Boxcar, from which 24 American airmen parachuted to safety in the Libyan desert Saturday.

Vancouver Name-Change Sought

VANCOUVER, Wash. (AP) — Mayor Ralph Carter is proposing to change Vancouver's name to end the confusion with Vancouver, B. C.

The mayor wants to make the name of this city Ft. Vancouver. That would keep the historical significance of the name, yet provide a distinction between the two Vancovers for postmen, travelers, and others who frequently are confused.

"An applicant is placed under no obligation by submitting a request for training," he continued. "He will not enter the air force until he is found fully qualified for observer training and desires to enter the program. The aircraft observer course has three phases—pre-flight, primary and basic." Additional information concerning the program may be obtained at the US Army and Air Force Recruiting Station 309 Post Office Building.
