Lake County Bureau Meets

On the evening of Aug. 11, approximately 20 Farm Bureau members attended the monthly meeting at the Agricultural Building near the high school. Pres. Ray Kerr presided.

Mr. Dooley, new FFA instructor, was introduced as guest for the evening.

Mr. Kerr was in receipt of a letter received from Ben L. Robinson, State Farm Bureau president. Mr. Robinson suggested a plan for increasing policy development, through participation of local membership. This plan is based on methods which have been tried and found successful.

The plan calls for a resolutions committee in each county to meet with other county resolutions committees in a regional series to be scheduled for the first week in September.

President Kerr appointed the following men to serve in this capacity: Walter Lightle, Roy Perry, Clyde Fennimore, Elmer Williams and Ed Garrett.

A letter was read from Lloyd Hankins of Bonanza stating that a representative of the Valley Livestock Co. of San Francisco would be in Bonanza the evening of Aug. 12. He urged any member of the Shipping Association of Wool Pooling Committees to attend this meeting.

Ray Kerr and Roy Perry attended the State Resolutions Committee meeting at Bend July 31 and Aug. 10. Representatives from all over the state were in attendance. Roy Perry, voting delegate was asked to sit in as chairman on the land and water use committee meeting.

Perry stated that the committee only studied the resolutions, then sent them back to the Farm Bureau centers for verification. This seemingly proves one point: the importance of individual membership in Farm Bureau, as each resolution is brought up in the centers, and with the help of the County and State committees a decision is made.

The Farm organizations have been asked to advise with the secretary of agriculture and Congress in writing new farm legislation. Appointed to serve on the fair booth committee were Mr. and Mrs. Herb Stover, Mr. and Mrs. Glenn Ray and Mr. and Mrs. Merle O'Neil.

Following the meeting refreshments were served by the West Side center ladies.
