

DID YOU KNOW...

Fragrance has a memory value stronger than almost anything else about you?

Snap lathers more profusely in water which has been softened by bath oil or salts or bubbles?

Perfume is the accent to your fragrance foundation given by toilet water or cologne?

The chemistry of your skin may change the bouquet of the perfume you wear. So don't be a copy cat by using something that is lovely on your friend.

The whole world contributes to the making of perfume by supplying far-off places as Madagascar, Tibet, Ethiopia, Peru and India?

A dusting of bath powder or talc on your legs and feet help them to slip on more easily to slip on more easily to discourage snags?

The new cream type of sachets soften the skin at the same time they impart a delightful fragrance?

Nero, of fiddle fame, was a perfume addict as was his wife, Poppa?

When Tutankamen's tomb was opened, the alabaster jars of perfumes were still fragrant though entombed for more than 3000 years?

In Babylonian times, everyone was required by law to bathe in perfumes, by an edict of King Hammurabi?

Want to save yourself time in the kitchen? While you're cleaning up after one day's dinner, start some preparation for a following day's meal. You can boil potatoes, for instance, for salad; or you can prepare a quick gelatin dessert and put it in the refrigerator to set and chill.

Mix creamed cottage cheese with grated carrot and chopped scallions for a luncheon salad. Serve on salad greens with mayonnaise.

If you have a really deep set throat with a dome cover you can use it for deep-frying.

For a wonderful and different vegetable combination, mix cooked green peas, cooked baby lima beans, and diced cooked green snap beans; heat with a well-flavored cream sauce. Turn into a shallow baking dish, top with grated cheddar cheese and place under the broiler until cheese is melted and flecked with brown.

Cooking Canadian bacon for Sunday breakfast? Then remember it is lean meat and keep heat moderate so the bacon will not be dry or hard. Heat a little fat in a skillet and arrange the bacon slices in it; cook no more than one or two minutes on each side. Serve the Canadian bacon sometimes atop toasted English muffins with poached eggs.

Fish flour can be prepared in odorless, tasteless form to provide a substitute for milk.

People are right or left eyed much as they are right or left handed.

An easy way to roll cookie dough or pie pastry is between two sheets of waxed paper. This way you won't have to wash either your rolling pin or your board!

Growing thyme in your garden? Add a pinch or two to a fish or vegetable chowder.

Bake your favorite corn bread in a ring mold and fill with creamed ham. Serve with watermelon pickle and a cooked vegetable or a salad.

A kitchen scissors does a good job of cutting scallion fine when you want to add the green onion to salad, a cottage cheese mixture or a soup.
