Sojourners Hold Meeting

One of the largest and most delightful meetings of the season was held by Sojourners on Wednesday, August 12, at the Willard Hotel. Forty-two members and guests, including 18 from Medford, gathered for luncheon with Mrs. Lloyd Young and Mrs. John Ashley as hostesses.

A picture of the two boards was taken, then the introductions were made by calling on each individual to rise and state where she was living at the present time and where they came from.

Mrs. H. L. Robertson, president, conducted the brief business meeting, asking Mrs. E. Lung, chairman of children's picnic, to give a report. Her assistants will be Mrs. Clark Blair, Mrs. J. M. Herber, Mrs. Robert Ernst, Mrs. L. E. Haugh, Mrs. N. Molschenbacher and Mrs. D. P. Groves. The picnic will be held Wednesday, August 26, at Moore Park from 12:30 to 4 o'clock.

Cards followed the business meeting, with tables playing bridge, pinocle and canasta. Honors were presented to Mrs. N. Y. Reed, Medford; Mrs. Walter Hoag, Klamath, for bridge; Mrs. Edna Primrose, Medford; Mrs. Earl Maskell, Brown, Medford; Mrs. Mary Cleary, Klamath, pinocle.

Special prizes won by members by number and drawings were flowers and theater passes.

Visitors from Medford were Mrs. Howard J. Boyd, Mrs. Jerry Alderfinger, Mrs. Clifford Gabis, Mrs. John Mansfield, Mrs. J. J.

Brown, Mrs. Harry Howard, Mrs. Charlotte McCullough, Mrs. W. F. Reed, Mrs. R. V. Rickard, Mrs. John Liden, Mrs. A. R. McClure, Mrs. J. L. Davidson, Mrs. Ted Quim, Mrs. C. M. Lee, Mrs. W. S. Blair, Mrs. F. E. Douglas, Mrs. K. I. St. Hill and Mrs. Kathryn Earhart.

JAP- RUSS TRADE

TOKYO (AP) — Japan's ministry of international trade and industry said Monday Russia is planning to export to Japan manganese ore, wheat, asbestos, heavy oil and po-

litanium, Kyodo News Service reported.

Russia has exported to Japan only coal produced in Sakhalin, Soviet-held island off northern Ja-

pan.

Sons Of Famous On Casualty Lists

WASHINGTON (AP) — The Korean War showed again that U. S. casualty lists are no respecter of persons.

Among the 102,000 Americans reported killed, missing or wounded is the son of the former 8th Army commander, Gen. James A. Van Fleet, and two sons, both wounded, of Gen. Charles L. Bolte, Army chief in Europe.

The Marine son of Allen Dulles, director of the Central Intelligence Agency, was severely wounded in action. Another Marine killed in Korea was the son of Adm. Erhard J. P. Quisenberry, chief of Denmark's military forces.

The full count of Korean War casualties among the sons of ranking officers won't be made until the military historians complete their work. But a spot check shows that at least 123 sons of Army

generals served in Korea, and that 35 of these were casualties.

President Eisenhower's son, Maj. John Eisenhower, served in Korea.

He is still there and, it was disclosed yesterday, has been honored by the South Korean government for "outstanding professional skill, resourcefulness and ingenuity."

Gen. Van Fleet, now retired, was visiting Korea today, still holding the hope that his son, a missing Air Force officer, might show up alive. The son of Gen. Mark W. Clark, soon to retire from the Far East Command, was wounded early in the Korean fighting. So was the son of Gen. Alfred M. Gruenther, supreme commander in Europe.

BLANKETS: Use the Soap
Blankets shouldn't stay in your washer more than a minute: agitation while wet shrinks them. Rinso Soap removes a lot of dirt fast—and leaves your blankets soft and fluffy! Yet you now pay about 5¢ less for it than for detergents.

CURTAINS: Use either
As long as you make plenty of suds, either product will do a beautiful job of washing your curtains. Both Rinso Soap and Rinso Detergent get curtains dazzling white—for an interesting reason. Both Rinsos contain SOLIUM.

DIAPERS: Use the Soap
One sure way to be careful of baby's tender skin is to use only soap for washing diapers and all baby clothes. The mild, gentle soap in Rinso Soap leaves diapers extra soft and non-irritating. The SOLIUM leaves them white as snow!

DISHES, GLASSWARE: Use Detergent
Everybody knows detergents do a better job on your dishes than soap. But this new Rinso Detergent does even more—it washes up to twice as many dishes as the most popular detergent, and is wonderfully gentle to your hands.

DRESSES: Use either
Your white dresses look whiter than new, print dresses brighter than new, washed in Rinso Soap or Rinso Detergent—thanks to the SOLIUM. Rinso's rich suds remove dirt so efficiently that most stains need hardly any pre-scrubbing.

LINOLEUM: Use the Detergent
If the linoleum is really dirty, use a detergent to get it clean before you wax. Rinso Detergent suds are particularly good for removing greasy or sticky stains from your kitchen linoleum. Use as little water as possible.

WORK CLOTHES: Use either
Choose either Rinso for doing work clothes. Rinso Detergent is exceptionally good in hard water, and you don't have to rinse unless you want to. Rinso Soap gets out slightly more dirt, and you now pay about 5¢ less for the Soap.

SHIRTS: Use either
Your husband's shirts will turn out gloriously clean and white, washed with Rinso Soap or new Rinso Detergent. We guarantee he'll be delighted. The SOLIUM in these two extraordinary Rinsos will give him the whitest shirts ever.

SYNTHETIC FABRICS: Use either
You can safely wash almost any fabric in the friendly suds of Rinso Soap or Rinso Detergent. Not only your cottons, but also the new synthetic fabrics. They'll all be perfectly at home in gentle, thorough-cleansing Rinso.

TOWELS: Use either
Your white towels will be whiter than new—and wonderfully fluffy—if you wash them in either the Soap or the Detergent. Why? Because both Rinsos are perfect for getting out dirt. What's more, both Rinsos contain SOLIUM.

WOOL SWEATERS & SOCKS: Use Soap
If you want your wool sweaters and socks to stay soft, wash them in soap suds. Home economists will tell you that washing with Rinso Soap removes less of the natural oil from the wool, and this helps keep it soft and fluffy.

SHEETS: Use either
The truth is that either the Soap or the Detergent will do your sheets to perfection. Both Rinsos contain SOLIUM, to leave your sheets white as can be. And both leave sheets so soft and smooth, you only have to iron the top quarter.

Only one name to remember—RINSO

TODAY you need remember only one magic name for the finest of soaps and the best of detergents—Rinso! It's all so simple and easy. Your grocer now has Rinso in both forms—soap and detergent.
