REUNION—Robert Toth, discharged Air Force airman held in Korea since last May for trial on charges of murdering a Korean civilian, is reunited with his mother, Mrs. Nettie Mertz, sister, Audrey Toth, and his attorney, John J. McGrath, in Washington, D. C. Toth, who was yanked from his civilian job in Pittsburgh, was returned home by court order to test the legality of the Air Force's attempt to try him in military court. Two other airmen have already been convicted and sentenced in the crime.

Reds Reportedly Freeing Jailed

PANMUNJOM (AP)—Another 400 U. N. soldiers returned from North Korean stockades today amid indications the Reds will send back

some Americans handed jail terms and possibly more prisoners than they originally promised.

Walk Walked By Royalty; Dan Patch To Go

ALBUQUERQUE (AP)—The old brick walk in front of the Santa Fe railway depot—path of presidents, kings, queens, movie stars for the past half century—is being

scuttled by progress.

Santa Fe officials said the bricks will be torn up to make way for a smooth concrete platform—they want none of the famed tripping.

Among the famous who have tread the bricks are:

Presidents Theodore Roosevelt and William Howard Taft, King Albert and Queen Marie of Belgium and Prince Leopold.

Dan Patch, famous race horse of the turn of the century, once was exercised on the walk.

Con. 77, Free After 52 Years

THOMASTON, Maine (AP)—Edward Graffam, 77, for 52 years a Maine State Prison inmate, looked forward today to "a quiet, peaceful life."

Graffam, the prison's oldest inmate, was freed yesterday under a new state law permitting parole for lifers who have served at least 30 years.

Convicted of murder during a robbery—a crime he still denies committing—Graffam will work as a cook for two prison guards who maintain bachelor quarters.

"I've hoped and prayed for this day a great many years," he said.

EUGENE CHAPLIN

LAUSANNE, Switzerland (AP)—Charlie Chaplin's new eight-pound baby boy has been named Eugene after Mrs. Chaplin's father, the late Eugene O'Neill, playwright.

No Manpower Shortage Claimed
SEOUL (AP)—John Hamus, assistant U. S. defense secretary for manpower and personnel, told newsmen today there is no manpower shortage and no "inducements" would be made to servicemen for enlistment in Korea.

He completed a four-day inspection and left for Tokyo to confer with Gen. Mark Clark, Far East commander.

Old Beat Widest Path to California
SAN FRANCISCO (AP)—"California Here I Come," is a favorite among the nation's oldsters, says a Louisiana sociologist.

Dr. H. L. Hitt of Louisiana State University reports aging Americans are migrating more than ever—and studies show almost half are coming to California.

Of 297,000 who left their home states in the past decade, 130,000 came to California, Hitt told the Gerontological Society yesterday.

Florida was second choice and Texas third.

He said the migrants were primarily from the Great Plains, the Midwest and the Northeast.
