CIC MEETING

FORT KLAMATH—Plans for putting a cement foundation under the club house this fall were discussed at the regular meeting of the Civic Improvement Club held Friday afternoon, August 21st, in the clubhouse. This repair, necessary for some time, was made more imperative by damage done the building by the recent fire.

Estimates of labor and material will be obtained by Mrs. Gene A. Page, and if not financially feasible this fall, the project will be undertaken by club members in the spring.

On the business agenda were routine standing committee reports with special discussion being held on the forthcoming annual bazaar to be held this year Saturday evening, September 19. Changes in the original plans were made with the games planned for entertainment and fund raising being combined in one committee headed by Mrs. Elizabeth M. Looney, instead of two separate groups. An added attraction this year will be a comic sideshow, with Mrs. William C. Martin as chairman. Mrs. Martin also agreed to meet with the kitchen committee in the near future, when she will assist the group in deciding on details for the dinner, which will open the bazaar at 6 p.m. Mrs. Myrtle Denton is chairman of the kitchen committee.

For the meeting, the club room was made lovely with vases of colorful summer flowers. Hostesses were Mrs. Warren More and Mrs. Dennis Knowles, who served refreshments at the close of the meeting in the dining room. Carrying out the general decoration theme of late summer blooms the table was centered with a charming arrangement of delphinium, cosmos and other flowers; smaller vases of mixed flowers used on either side of the central groupings.

In attendance were the following: two special guests, Mrs. Arnold Colahan and Mrs. Harold Redden and her sons Harold and Charles. Mrs. Donald P. Veatch, Mrs. Alfred Feezer, daughters Margot and Rhonda; Mrs. William Brewster, Mrs. William C. Martin, Mrs. Bert Gray, Mrs. Walter J. Wight, Mrs. Raymond S. Looney, Mrs. Wilbur B. Hescocck, Mrs. William A. Page, Mrs. James Dyck, Mrs. Neil Neilson, Mrs. Mitchell (Mike) Beaulieu, Mrs. Elizabeth M. Looney, Mrs. Elmore Nicholson, daughter Anne and Mrs. Harold L. Wimmer.

Long soaking of clothes is no longer considered necessary. A short soak period of about 15 minutes in lukewarm suds helps loosen stains which might be set by hot water. Excessively soiled spots, as at neckbands, should be rubbed with soap jelly before soaking. Colored clothes shouldn't soak more than five minutes, and not at all if they tend to run.

this question:

Made most of our friends, we make sure that our Automobile Liability insurance policy included coverage for anyone who might be injured in the car. Doesn't this protection provide \$250 or more per person for injured passengers?
