Cattle Advisory
Meeting Called

WASHINGTON (AP)—Secretary of
Agriculture Benson has called a
special meeting of a livestock ad-
visory committee here Sept. 24 on
government programs for stabiliz-
ing cattle prices.

The meeting of the 26-member
group — composed of representa-
tives of producers, packers and
meat distributors — will precede an
expected heavy run of cattle to
slaughter markets, which might
bring on price declines.

Foreign Aid Chief Harold E.
Stassen announced last night that
while beef is thus moving plenti-
fully to market, his agency will
purchase up to 10 million dollars
worth for use in the overseas aid
program.

The Agriculture Department an-
nouncement of the livestock com-
mittee meeting quoted Benson as
saying the beef purchased by Stas-
sen's agency will be from lower
cost animals. The market for this
was reported to need strengthening.

Benson was also quoted as say-
ing "aggressive actions" taken by
his department have restored con-
fidence in cattle markets by stab-
ilizing producer prices.

CHILOQUIN

By DARLENE WOLFF

Ray Baldwin, who joined the
Merchant Marine this summer af-
ter a month of training in the bay
area, left Aug. 29 on a round the
world voyage according to a letter
received here by his wife.
Mr. and Mrs. Ray Prowell and
sons returned recently from a va-
cation that took them to Southern
California and to a family reunion.
They went by way of Reno to San-
ta Barbara where Mrs. Prowell's
family had its first complete re-
union in 17 years. The Prowells
took the boys on to Los Angeles,
out to Knott's Berry farm and to
an animal farm where they wit-
nessed an hour show put on by
the animals trained for movies.

Joanne Weddle returned last
week from a vacation spent in
San Francisco. She drove down
with JoAnn Slemore of Fort
Klamath.
Leaving for their home in Cal-
ifornia on Labor Day were Albert,
Raymond, and Diane DeBortoli,
children of Mr. and Mrs. Eldo De-
Bortoli, who returned to Klamath
here for nearly a month visiting
their grandmother and aunt, Mrs.
Guglielmo DeBortoli and Eilda
DeBortoli. Raymond had his 7th
birthday anniversary just before
they left. To celebrate, Raymond,
his brother and sister, Doris Ann,
Agath, Tony and Mary Dillio en-
joyed refreshments and a movie.

Mr. and Mrs. Friedman Kirk,
Orin and Frieda arrived home last
Monday morning after a vacation
in Reno, Nev. City, Yellowstone Park,
to Montana on business, to Glacier
Park and then to Seattle where
they met Frieda who had flown
back from Sitka, Alaska, where
she had been visiting an aunt and
uncle for a month. Frieda made
the trip in excellent condition but
was home less than 24 hours when
she was bucked off a racing horse
and so began her senior year in
high school Tuesday in a some-
what crippled condition.

Frank Di Ulio and his mother,
who is spending this year with her
son before returning to her Wis-
consin home, drove to Portland
and Labor Day to pick up a cow. For
two months they had tried to
buy a certain type animal here in
Klamath County or in the Rogue
River Valley and finally got one
in Multnomah county.

Mr. and Mrs. Gilbert Kessinger
and Raymond Ray, recently re-
turned from a week's vacation in
Tacoma, Wash., where Kessinger
lived as a youth. It was a new
experience for Mrs. Kessinger and
Ray, for they came from Tennes-
see earlier this summer and are
getting their first glimpse of the
northwest.

Guests of Mr. and Mrs. William
Priebe over Labor Day were rela-
tives from Portland. Mr. and Mrs.
Charles Perkins, Priebe's daugh-
ter, son-in-law and grandchildren
from Fort Klamath, the Gene
Page family.

Visiting at the home of Mr. and
Mrs. John Manning last week
were his brother and nephew, Bob
Manning and Bobbie, from Oak-
land, Calif.

Comparative newcomers to Chil-
oquin are Mr. and Mrs. M. T.
Hall and their four young chil-
dren. They are living directly across
from Lorenz Store. Hall is a logger.

Mr. and Mrs. John Jaderholm
and young sons camped at Buck
Creek over Labor Day, but re-
ported fishing far from excellent.
Mrs. Jaderholm's mother, Mrs. El-
lis, had returned to Seattle a few
days earlier after coming south with
her daughter in mid-August.

Mrs. Eileen Esqueda visited in
Chiloquin over Labor Day with her
children, Janet and Pep Parker,
at the Lewis Jones home. Mrs.
Esqueda returned to California
where she is staying with her
mother who has been ill and is
helping her parents' pain and finish
a new home.

Mr. and Mrs. Dwight Kircher re-
ceived word Sept. 10 of the birth
that day of a 7 lb. 11 oz baby girl,
a first child, to Mr. and Mrs. Mark
Balfour of Riddle. The youngster
was born in a Roseburg hospital.
The Balfours are former Chiloquin
residents. He managed Copeland
Yards before returning to the
Navy for service in '30.

Mr. and Mrs. Al Cline and chil-
dren moved to Chiloquin. Mr. Cline
residence in east Chiloquin just west
from their home in the Rogue Riv-
er valley. Cline is the new janitor
of the high school.

All the third graders were sur-
prised last Tuesday to see a class-
mate of last year who had moved
away during the summer—Jeanne
Gauthier. Jeanne will live near
Fort Klamath with her sister and
brother-in-law, Mr. and Mrs.
James Dyche, and will come on
the bus to the Chiloquin school.

visited the Riverman's new hunt-
ing cabin. It has a kitchen, bath,
sitting room and a fire place. Mr.
Holt from Lakeview is doing the
carpenter work.

Burry Taylor is having his ranch
house remodeled and two extra
rooms added.
Jimmie Kieley and Tom McCarty
are riding for the Kieley cat-
tle on Hart Mt.

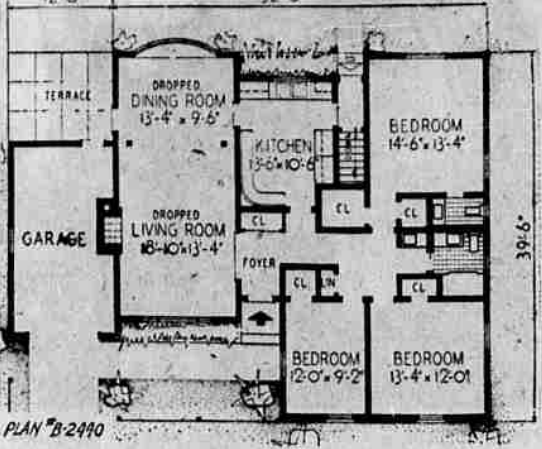

John Overton and Jo-An Caswell
are helping the Kieleys finish hay-
ing.
There was no school part of last
week. The teacher received the sad
news of her son's death by drown-
ing. Mrs. Hays left immediately.
Sincere sympathy is extended her.
Phil Smith, water master from
Lakeview, visited at the Dixon
home Friday and looked at the
water situation in the narrows.

Parents Double
Family To Six

SACRAMENTO (AP) — Ira
B. (Skip) Seiden of Rio Vista came
to Sacramento the evening of three
sons. Today he has six children.
Mrs. Seiden yesterday gave birth
to triplet daughters, Virginia, Rob-
in, and Nancy, all under five
pounds.

HOMES FOR AMERICANS

A DROPPED LIVING ROOM and dropped dining room in lux-
ury apartment style feature this compactly planned ranch type
house. A bowed dining room window facing the garden and a
secluded terrace behind the garage add glamor to the house.
Rear service entry has vestibule connecting with basement
stairs and kitchen. The house covers 1,425 square feet, garage
258 square feet. This is plan B-2440 by Alwin Classens Jr.,
architect, 145 So. Franklin Ave., Valley Stream, N.Y.

IT'LL BE A LONG TIME — Jerry Levenson of Chicago, Ill.,
finally winds up in court to answer 74 traffic violations which
police say he has ignored for three years. The citations included
20 for speeding, one for reckless driving and 53 lesser violations.
Deputy Bailiff Teddy Mazola, right, holds the warrants. Levenson
was fined more than \$5000 and was sent to jail when he was
unable to pay. Should the court decide to charge time for money,
Mazola could technically spend nearly ten years in jail.

"IT'LL NEVER WORK" — Two sanitation men, whose old-
fashioned equipment is parked at left, skeptically examines
a weird contraption designed to help keep streets clean in Frank-
furt, Germany. It is a vacuum cleaner which sucks the dirt into
a large hollow container mounted on wheels. The brushes are
made of steel.

WALKING BICYCLE—This odd-looking, wooden-wheeled fore-
runner of the bicycle was invented by a German noble in 1816.
Because they were used by wealthy people, the bike acquired the
name "Dandy Horse." The rider sat on a leather padded saddle
while walking. Mark Rochoon, dressed in 19th century garb,
demonstrates the antique which is on display at the Henry Ford
Museum in Dearborn, Mich.

DANNY THOMAS ABED
BEVERLY HILLS, Calif. (AP)—
Bronchitis has put comedian Dan-
ny Thomas to bed at home, and
his physician has ordered him to
stay there at least five days.
Thomas was stricken Thursday
night while rehearsing a new TV
series. The same physician, Dr.
Arthur M. Rubin, is treating the
actor's 16-year-old daughter, Mar-
garet, for bronchial congestion.
