British Paper Sees Ike Ranking With Harding

LONDON (AP) — A columnist for the Daily Mirror, Britain's most widely read daily newspaper, declared Monday Dwight D. Eisenhower "may yet rank with Harding and Coolidge as one of the most disastrous Presidents of the United States." Columnist William Neil Connor, who writes under the pen name Cassandra, said more and more Americans are asking themselves, "Is he just an amicable bungler?" The Mirror, which claims a circulation of about 4 1/2 million, largest in the world, describes itself as "an independent newspaper of the left." It leans toward the labor party political view and is often hostile to U. S. foreign policy.
