Stanford Ace Top Passer

LOS ANGELES (AP)—It will come as no surprise to the UCLA football team that Stanford's T-quarterback, Bobby Garrett, leads the Pacific Coast Conference in passing.

They figured as much last Saturday when Garrett and his throwing belted 'em out of the unbeaten ranks, 21-20.

For the records, however, Garrett's season record shows 90 passes, 49 completions, 602 yards and six touchdowns. It also shows but three interceptions, none of which were made by UCLA.

For consolation, UCLA halfback Paul Cameron leads in rushing, with a net 393 yards and a 4.9 average.

The total offense laurel to date belongs to California's brilliant Paul Larson, who has passed for 628 yards and rushed for 92 for a total of 718. Next is Cameron, with 628.

Runner-up in passing is Washington's Sandy Lederman, 42 passes out of 95 for 529 yards and two touchdowns and six interceptions.

Southern California's Aramis Dandoy is second in rushing, with 317 yards.

The leading pass receivers—no surprise here for UCLA, either—are Sam Morey and John Steinberg of Stanford. Morey has caught 18 for 193 yards and two touchdowns and Steinberg 13 for 173 and one touchdown.

The punter with the best average is Idaho's Flip Kieffner, with 45.8 yards in 15 punts.

TIME OUT!

"Lucky stiff! That rookie gets to play the whole game while we just sit on the bench!"

Uclans Face Another Passer

LOS ANGELES (AP)—There was no secret what the UCLA football team is concentrating on in drills this week.

The answer: Passing, on offense, and passing defense.

Coach Red Sanders was far from

pleased by the Uclans pass defense against Stanford last week—the team did not intercept a throw—

and both tailbacks Paul Cameron and Primo Villanueva have shown need for intensified passing work.

UCLA plays a good passing team, Washington State, here Saturday.

At least the Troy Cook team in the Ten Pinettes Bowling League is consistent. The girls were shut out last night for the sixth straight time; they haven't picked up a point yet.

Beth Griggs of Richfield rolled a 173 game and 475 series to lead the field last night; Pauline Kieffer of the league-leading Sears team had a 167 game and Marjorie Turner of Griggs a 440 series for runner-up scores.

Team honors went to Sears with an 829 game and Griggs with a 2462 series.

Illinois Soph Top Runner

NEW YORK (AP)—J. C. Caroline, Illinois sophomore, is setting a ball carrying pace exceeded only once in the history of major college football.

Statistics released Wednesday by the UCAA Service Bureau revealed Caroline as the nation's top runner with 668 yards in four games for an average of 167 a game.

Only San Francisco's Ollie Matson, who set the record of 174 a game as a senior in 1951, has done better. At the end of four games that season, Matson's average was 171.

Caroline's is 129 yards ahead of second place Dick Imer of Montana, who has played one more game, and 285 ahead of the nearest man with four games—eighth place Bob Watkins of Ohio State, whose total is 383.

Wyoming's Joe Mastrogiovanni still clings to the total offense lead with 772 yards. He is followed by California's Paul Larson with 718 and Georgia's Zeke Bratkowski with 693 each in five games. Sandy Lederman of Washington is eighth with 523 in five.

Bratkowski still is the passing leader with 50 completions in 89 tries, but second place was taken over by Stanford's Bob Garrett.
