Offender Offers To Double Fine

OKLAHOMA CITY (AP) — Traffic Judge James Demopolos says it isn't often that an offender will praise the officer who gave him a ticket, and it is even more rare when the violator admits his error and offers to pay double the fine.

Dr. A. M. Ewing, Oklahoma City University professor, did just that. Demopolos said Ewing admitted pulling an "absent - minded professor" act and drove through a red light while daydreaming.

He said the professor offered to pay double the fine, about $20, to the cancer society if the proceedings were dropped, pointing out it was his first offense.

Demopolos, always interested in a "two to one deal," okayed the proposal.
