A. A. U. W. Annual Silver Tea

New Home is Spacious and Beautiful Setting For Fall Event

ONE OF KLAMATH FALLS' newest and most beautiful homes was the setting for the important annual silver tea given by the American Association of University Women, last Saturday, Oct. 24. Mrs. R. P. Ellingson Jr., opened her spacious home at 1700 Fairmount to some 300 women who called during the afternoon. Money realized from each year's tea provides some qualifying girl with a scholarship.

AAUW ANNUAL SILVER TEA

A beautifully engineered tea was given in a perfect setting, last Saturday, when the Klamath Falls branch of the American Association of University Women gave their annual tea in the home of Mr. and Mrs. R. P. Ellingson Jr., 1700 Fairmount.

The spacious home was more than adequate for the large number of women who called during the afternoon. Satiny birch paneling in the vestibule was an ideal foil for the stunning arrangement in the hall planter. Fall colors prevailed throughout the decorations, accented with the bright vermilion of pyracantha berries artistically and most effectively employed. An arrangement on the huge fireplace in the living room achieved the striking appearance of growing in the handsome structure of Arizona, Nevada and Utah

Many of the guests drifted into the family room which featured a raised fireplace of the same stone and which was built back to back with the one in the living room. The contemporary dwelling was designed with split levels and boasts a 10 by 12 vestibule and a 22 by 20 foot living room, and this space was considered an important factor in the comfortable handling of the large number of guests.

Mrs. H. O. Juckeland, general chairman and her various committee members were a smooth running unit, and this year's silver tea was given for the same annual purpose, to pay for a scholarship for some qualified local girl.

Presidents of representative local women's clubs were asked to preside at the tea and coffee service during the afternoon. Mabel Humble, president of Delta Kappa Gamma; Mrs. J. Frank Adams, Soroptimist; Imogene Boothby, Business and Professional Women; Mrs. Wallace Uerlings, president of Oregon Technical Institute Faculty Wives; Mrs. Irving Burke, Lionsess; and Mrs. Elmer Harnden, worthy matron of Eastern Star. The tea table was a study in cream and gold. The centerpiece was of metallic gold gourds on begonia leaves; and the table itself was draped with a handwoven cream cloth with gold metallic threads woven into the pattern.

Assisting Mrs. Juckeland were Mrs. Ivan Thompson and Mrs. Robert Cooper, dining room; Mrs. George Clark, Mrs. Beverly Thomas, Mrs. Archie Drueker and Mrs. Frederick Ehlers, kitchen; Mrs. Robert A. Thompson, hostess committee; and Mrs. Murdo Morrison and Mrs. John Howard, decorations.

Chicken soup mixed with tomato juice and a little cooking sherry makes a delightful first course.
