Fort Club Lists Friday's Fund Drive Program

FORT KLAMATH—In addition to square dancing fun and modern dances, special intermission musical numbers are being arranged for the C.I. Club-sponsored United Fund-Red Cross basket social to be held this Friday evening, Nov. 6, in the clubhouse at Fort Klamath.

Included in the entertainment features will be vocal selections by Mrs. Jim Mannering, Chiloquin, duets by the Kendall sisters, Janice and Gladys, Fort Klamath, as well as other numbers as yet tentative. Music for dancing will be by Mrs. Julia Gienger and Joe Bray, Chiloquin; Vic Douglas, Klamath Falls, will call for the square dances. All will donate their time and talent for the evening, and proceeds will be turned in to District No. 2's U.F.-R.C. drive for funds.

Each lady attending is asked to bring a basket containing lunch for two. These will be auctioned off at midnight with Guss A. Page and Harold Wimer acting as auctioneers. For anyone not getting a basket,

et, pie and coffee will be available. District No. 2 of the Klamath County United Drive extends from Crater Lake National Park in the north to Klamath Falls to the south and a quota of \$5,025 has been set for this territory.

Friday evening's affair will be the Civic Improvement Club's contribution to the drive. Everyone is invited to attend, enjoy an evening of fun with friendly Wood River Valley folks and at the same time help the cause.

For the dance, Klamath Falls officers will be on hand to police the affair and preserve law and order.

Benson Sees Drop Of Both Farm Income, Farm Costs

By JACK BELL

HOT SPRINGS, Va. (AP)—Secretary of Agriculture Benson says farm prices—but probably not farm income—may still be falling next year when the Republicans will be struggling to hold their control of Congress.

The beleaguered cabinet member predicted last night that farm prices and farm costs will both be dropping. He said he believes that overall "the retreat of farm prices and farm incomes has been stopped." Farm prices have generally been falling for over a year and a half.

Benson spoke to the state din-

ner of the Southern Governors Conference. He got an ovation when introduced, and when he ended his talk, but during it his hearers sat on their hands.

"Next year farm prices may decline slightly but farm costs also are expected to dip downward," Benson said. "To sum it up—the supply and demand situation and also the price and income situations offer encouragement."

Benson also told the Dixie gov-

ernors the Eisenhower Administration will ask the states to shoulder a great load in dealing with farm problems. Several of the governors wondered aloud where the money would come from.

From Gov. Theodore R. McKeldin of Maryland, the lone Republican in this conference of Dixie executives, came words of praise for Benson. "We are ready to follow his lead," McKeldin told news-

men. But Democratic governors generally were less charitable toward Benson's obvious bid for Southern support for what he termed the Eisenhower Administration's plan to "take that which works fairly well" in the present farm program "and strengthen it."

Gov. John S. Battle of Virginia said he heard "nothing new" in the 35-minute talk during which Benson never was interrupted by applause.

"If he has a farm program, he hasn't told us what it is," Battle commented.

HERE'S A PENNEY GIFT FOR EVERYONE ON YOUR LIST!

Resting—After a Long, Hard Day!

Twenty minutes ago, the man you see in this picture came out of a long and harassing conference—tired, tense and with a bit of a headache.

And he said to himself—"I'll take the long way home tonight, and drive out by the waterfront, and let the Cadillac relax me!"

And that's just what he's doing.

If you own a 1953 Cadillac, you know exactly what's taking place. But if you don't—let's see what happens as he climbs into the driver's seat and lets his wonderful car begin its magic.

It's relaxing just to sit there—and look out over that long, beautiful hood into the beckoning distance.

The seat cushions hold him in buoyant comfort; the slender wheel fits naturally into his hands; great areas of glass surround him and let each glance reveal a panorama.

And, of course, he's proud—for it's an endless satisfaction to command such a respected possession.

And now comes the great life to his spirits: He touches the key, and hears that deep-throated response so characteristic of a Cadillac engine—and, in an instant, he's off for a wonderful, wonderful hour!

Steering is no more than a gesture... the lightest touch on the throttle gets immediate action—smooth, quick and positive... the brakes are easy and certain under his foot.

So he just sits back and rolls along—with the soft sound of the wind for a lullaby—and the beautiful view for a tonic—resting, relaxing, at peace with the world!

His wife will never suspect, as he wheels into the driveway, that he was a tired and tense and weary husband just one short hour ago.

That's one of the nicest things about a Cadillac. It's a proven therapeutic for a work-weary man!

Try it, soon, at the end of a long, hard day. We'll furnish the car. You name the time and place.
