Smoked Picnics

YOU GET MORE GOOD EATING MEAT FOR YOUR MONEY WHEN YOU BUY SAFEWAY GUARANTEED MEATS. When you compare meat prices, it is important to compare quality and trimming, too. All Safeway meats are trimmed free of excess bone, fat and waste . . . you pay only for good eating meat. Furthermore, Safeway buys only the top Government grades of Beef, Lamb, Pork, and Veal.

Safeway guarantees each cut to be tender and delicious or your money back. You may ask how Safeway can guarantee tenderness in every cut . . . The answer is meat aging. Meat not aged . . . even the finest Nature produces . . . can't have the complete tenderness . . . that rich juicy flavor you expect in top grade meat. That's the reason Safeway built a million-dollar Central Meat Plant . . . bringing scientific, natural meat aging to you.
