Parties Seek Elk Hunter

PENDLETON (AP) — An intensive search was on Monday for an elk hunter missing in the rugged Tollgate district.

Charles Warner, 40, Sisters, Ore., was last reported seen Saturday morning in the Odessa Springs area 40 miles east of here by a hunting party.

State police and volunteers from Pendleton, La Grande and neighboring communities, using horses and motored vehicles, took part in the search. They were hampered by one foot of snow which fell Sunday.

Joe Gjertson, Umatilla district forest ranger who was with the search party, said the area is a heavily wooded plateau bounded on the northwest by deep canyons of the North Fork of the Umatilla River. There is a highway to the east and a forest road to the south.

Livestock

CHICAGO LIVESTOCK

CHICAGO (AP) — All sections of the livestock market moved higher in active dealings Monday.

Receipts of hogs were the smallest since Columbus Day, totaling 11,000 head, and butchers jumped 50 to 75 cents. Sows were around 50 cents higher. The limited offerings were cleaned up early as both packers and order buyers seemed anxious to get slaughter material. Top was $22.00.

Cattle arrivals also were below expectations. Buyers asked sharply higher prices, a fact which retarded trading on early rounds. But buyers eventually paid 50 cents to $1.00 higher prices for steers while heifers jumped $1.00 to $1.50. Cows and bulls advanced while vealers held steady.

Top was $31.50 for a load of high prime 1,213 pound fed steers. Average choice to high prime offerings went at $26.00 to $29.75.

A moderately active trade developed in the sheep pens. Lambs and yearlings sold at steady prices while ewes recorded gains ranging to 25 cents. Most sales of good and choice lambs were at $18.50 to $20.50.

Other salable receipts were estimated at 15,000 cattle, 600 calves and 4,500 sheep.

Monday's car receipts: wheat 28; barley 8; flour 8; corn 10; oats 5; mill feed 9.

CHICAGO GRAIN

CHICAGO (AP) — Soybeans raced up more than 5 cents in active dealings on the board of trade Monday, January, March and May selling above the $3.00 mark.

Touching off the aggressive buying in beans was news the Foreign Operations Administration had agreed to sell some of its supplies of soybeans to West Germany, which would reduce the stocks held in this country. September soybeans, representing the 1954 crop, declined.

Corn had a firm undertone throughout the day in reflection of continued light receipts of cash grain. Wheat eased at the start and then came ahead strongly toward the finish, aided by the strength in soybeans.

Wheat closed ¾ to 2 cents higher, Dec 1.99-1.99 ¼, corn 1 ¼-1 ⅜ higher, Dec 76⅛ - 76, rye ½ to 1 cent higher, Dec 1.19 - 1.19 ¼, soybeans 2½ lower to 5¾ higher, Jan 3.05 ½-3.05, and lard 20 to 63 cents a hundred pounds higher, Dec 14.32-14.35.

UN Boss Pleads Peace

NEW YORK (AP) — Dag Hammarskjold, secretary general of the United Nations, says nothing should be permitted to weaken the efforts of U.N. negotiators at the Korean peace talks toward the goal of "peace, nothing but peace."

He warns against "inflexibility" in the forthcoming peace conference, saying there is a difficult road between the truce and real peace, he adds:

"We must be prepared for a testing time. This might last for years or it might be of shorter duration. In either case, we should be clear and remain clear about our primary purpose in Korea and persevering in all we do toward effecuating that purpose."

He spoke Sunday night at the 12th anniversary dinner of Freedom House.

About 40 families were evacuated as the Umpqua River flooded up to January levels in Douglas County. The South Umpqua reached its crest at noon in the Winston area. Most of the 40 evacuations took place in that area.

A few families also had to leave their homes at Glide, Roseburg and Sutherlin.

The North Umpqua crested Monday morning, a foot above the January level.
