BUNNY BRIDE & GROOM

By CAROL CURTIS

A festive wedding if ever you saw one — this of Betty and Peter Rabbit! The bride is a charming 15 inches (counting in 5 inches of splendid pink ears), is faultlessly dressed in white flowered organza with taffeta petticoat, a proper veil, has deep blue eyes (embroidered), Groom sports a pique waistcoat with three small diamond buttons, an elegant pale blue felt coat carries a deep strawberry-pink felt hat. Bodies are pale tan cotton flannel. A wonderful pair to go on a Xmas honeymoon under a pine tree!

Send 25 cents for the Bunny Bride and Groom (Pattern No. 190) all cutting pieces, assembling, stuffing directions, garment pieces, color chart, your name, address, pattern number to Carol Curtis, in care of the Herald and News, Box 239, Madison Square Station, New York 10, N. Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra five cents per pattern.

Oklahoma to Be Filmed, At Least Partly, There

By BOB THOMAS
 HOLLYWOOD (AP) — Oklahomaans can rest more easily. "Oklahoma!" will be filmed in their state, also in Arizona and California.

Some Sooners had been wrought up over reports that the film version of the hit musical would be shot on locations in Iowa or elsewhere. I have the assurance of Arthur Hornblow, producer of the film for Rodgers and Hammerstein, that such sacrifice will not take place.

I lunched with Hornblow at Romanoff's and learned many things about the ambitious project. Not too much about the new filming

process, Todd-AO, however. Hornblow says that is the province of his namesake, Michael Todd, the mercuric producer.

"We will definitely shoot near Claremore, Okla., which is the actual locale of the story," reported Hornblow, an eager, articulate fellow. "We toured all over the state, shooting thousands of feet of film — an actual panorama of that country. We found some wonderful scenes."

More information about the film version of "Oklahoma!": The script, authored by Sonja Levien and William Ludwig, has already been finished and approved. All the songs from the play will be included. Agnes de Mille has been on a scale fitting the scope of the movie screen.

Fred Zinneman, whom Hornblow rightfully calls "the hottest young director in the business," will direct. He's the fellow who did "High

Noon" and "From Here to Eternity." This will be his first movie with music (Hornblow doesn't think it should be called a "Musical").

No one has been cast for the parts, although press agents have been busy mentioning their clients as being signed. Tests are being made on both coasts, and R. H. may choose big names or unknowns. They have complete say-so, naturally. Production is expected to begin in March.

I managed to glean some info about the Todd-AO process. Todd was one of the developers of Cinemascope, but broke away from that atom-tossed organization. He joined with Dr. Brien O'Brien and the American Optical Co. in developing a new filming method. It has been kept under wraps, having been shown only in a theater in Buffalo, N. Y., near the AO plant. Cinemascope and Cinemascope are

Ordinary movies are made on 35mm film. Todd-AO is done on 65mm. Big difference.

Soap Fills Up Ohio River Bed

WHEELING, W. Va. (AP) — That "strange, white bubbly substance" stretching from shore to shore in the Ohio River has been identified. It's soap.

A. R. Todd, chemist at Wheeling filtration plant, announced today his analysis showed it to be 32 pounds of detergent—a synthetic soap product—to each million gallons of water.

Todd said the detergent might have been accumulating in creeks during the long dry spell from family washings and other cleaning processes and was flushed into the river during the recent light rain.

Kind Cops Ousted By Stinky Pet

SHAWNEE, Okla. (AP)—Two kind policemen picked up a skunk, run over by a car, and took him to police headquarters at City Hall, believing him to be a pet—the odorized variety.

But there the ungrateful skunk cut loose with a blast that sent officers Ernie Coleman and Henry Shelton running for cover. Now nobody around City Hall will speak to them.
