Yamhill Locks To Shut Down

McMINNVILLE (AP) — The Yamhill River locks at Lafayette, long ago used by river freighters, will be closed by the Army Engineers Feb. 4.

For a number of years logs were rafted through the locks, but that traffic gradually dwindled. Now the engineers find the property surplus and they have suggested that Yamhill County join in finding someone who would like to take over the locks and adjacent seven acre park.

Col. John Graf, executive officer for the Portland district, met Wednesday with county officials and others. He suggested that a licensing agreement be prepared which the government might accept if no local group can be found to buy or lease the locks and park.

Some revenue from irrigation water was suggested as a possibility. Graf said that if the area is not taken over by a local group, it will be turned over to the General Services Administration for disposal as surplus.

Reds Set On Purge Of US

NEW YORK (AP) — A former Lithuanian diplomat says he believes the Russians already have lists of people to be deported or purged if the United States should ever be occupied by the Communists.

Antanas Trimakas, the former Baltic diplomat and now chairman of the economics department at Seton Hall University, Newark, N. J., says the Soviets prepared such lists for Lithuania before occupying it in 1940.

Trimakas testified Friday before a House committee investigating the Soviet Union's annexation of the Baltic states. The hearings continue here Saturday.

During one three-day period after the 1940 occupation, Trimakas told the congressional group, 30,000 of the 150,000 residents of the Lithuanian capital, Kaunas, were executed or deported to slave labor camps.

"Well-to-do people, respectable people, leaders or people that owned certain property... were (considered) enemies of the Soviet," he said.

Trimakas asserted that the purge lists were compiled by Lithuanian Communist Party members and by the Soviet diplomatic service as part of a master plan to change "free man into the Soviet man."

Lost Boy Found High Atop Cliff

PASADENA, Calif. (AP) — Dickie Lutsoff, 8, lost for 10 freezing hours in the San Gabriel Mountains, was rescued yesterday from a Mt. Wilson cliff by three members of the Altadena Mountaineers Rescue Club. They found him perched on an old slide overlooking a 1,000-foot precipice.

Dickie said he hadn't moved from 4 p.m. Saturday when he became lost until he was found.

The lad had gone into the mountains with three other youngsters but had decided to return alone by a short cut, sheriff's officers said.

War Nothing New To This Recruit

TOKYO (AP) — Bernard D. Kaplan, 25, New York City, who covered the Korean War from start to finish as a correspondent, is being drafted into the Army.

Kaplan came to the Far East for International News Service but since 1951 has represented the London Daily Mail and the Canadian Broadcasting System.

His wife, Antonia Schilling, is en route home by ship. Kaplan leaves by plane tomorrow to report for induction in New York City.

The Klamath Sportsmen's Association and the Herald and News are cooperating in offering a "Sportsman of the Year" and a "Landowner of the Year" award this year, both categories to receive \$25 for top place and honorable mention for second. The Sportsmen prizes will be awarded for the outstanding example of sportsmanship displayed by a hunter during the current deer and migratory bird season. The Herald and News award will go to the landowner voted as showing the greatest cooperation and understanding toward the hunting public. Your nominations are asked in deciding the winners of these two awards. Just fill in the blank below and mail to HERALD and NEWS, marked SPORTSMEN'S CONTEST, before midnight, Jan. 10. Final choice will be made by a panel of judges from the Sportsmen's Association and will be announced, with pictures, in the Herald and News one week later.

Mrs. Talmadge Finally Gets Promised Paved Road

ATLANTA (AP) — Mrs. Herman Talmadge, the wife of Georgia's governor, finally got her road paved.

Back in 1948, gubernatorial candidate Herman Talmadge was promising Georgians he would build 10,000 miles of highway if elected. Charging past administrations with road favoritism, Talmadge roared from the campaign stump:

"I promise you this: that the last road in Georgia to be paved will be the one beside my farm home."

He was elected and eventually his administration built the 10,000 miles of paved roads. Mrs. Talmadge asked him for her road connecting their farm at Lovejoy to a highway. The governor paid no attention.

Then Mrs. Talmadge decided to play politics herself. At a dinner one night she approached three Highway Board members. They were in the middle, between the governor and the First Lady. They alibied and stalled.

Finally, Mrs. Talmadge decided to skip state government and try local sources. She mentioned the matter to her representative, Ed McGarity.

Yesterday, as she drove back to the executive mansion from the farm in a pouring rain, Mrs. Talmadge beamed. She drove over a paved road. The quarter-mile strip had been paved with county forces and county funds. Mrs. Talmadge is a taxpayer in Henry County.

With a smirk she sent this message to the stalling State Highway Board dominated by her husband: "It can be abolished for all I care."

Prices Have Gone Out of Sight

OKLAHOMA CITY (AP) — A small, gray-haired woman walked to a counter at the five-and-dime store and asked for a 5-cent tie box. The clerk told her the cheapest one was a dime.

She left indignantly, declaring: "I bought the tie because it was a bargain but it won't be a bargain if I pay a dime for the box!"

Sale Of PNW Wheat Urged At Meeting

LA GRANDE (AP) — Oregon wheat growers were urged Friday to sell wheat now in storage whenever the market price nears the price support loan value.

Unless this and other measures are taken Lester F. King told the State Wheat League, it might be necessary to leave 50 million bushels of grain piled on the ground in the Pacific Northwest next summer.

King, league president, also urged farmers to feed surplus barley to livestock and to plant soil conserving crops instead of barley on ground that has been diverted from wheat production under the acreage allotment program.

Russell Lincoln of Oregon State College reported that his studies showed that rainfall was only 8 percent above normal in areas where clouds had been seeded in efforts to produce rainfall.

Despite this report, the league's production and land use committee recommended cloud seeding be continued in the Gilliam, Sherman and Morrow counties area for at least one more year.

The league recommended development of the Columbia River along the lines of the Army Engineers' "308 report" which calls for construction of a multi-purpose dam at Hells Canyon on the Snake River.

It also recommended a sales tax as "the only adequate solution to Oregon's expanding fiscal needs."

Sheriffs Against Salary Fixing

PORTLAND (AP) — The Oregon State Sheriff's Association, meeting here Friday, rejected a resolution calling for the State Legislature to fix county employes' salaries.

Other resolutions:

Approved a study of salaries in an attempt to induce county courts to increase wages paid to sheriff's deputies.

Urged the next Legislature to regulate auction sales.

Recommended that other counties adopt the uniform now worn by Multnomah County deputies.

VIKING FIND

ST. JOHN'S, Nfld. (AP) — The Newfoundland Museum has announced discovery of a sword believed to be of the Viking era. The sword whose blade is of cast iron and handle of bone, was discovered at Aillik, Labrador.
