

NOW! PURPLE ROYAL TRITON IN 5-20 AND 10-30 GRADES!

They lubricate with the thoroughness of a lightweight motor oil
...protect with the toughness of a heavyweight motor oil!

Every gallon of gas takes your car farther.

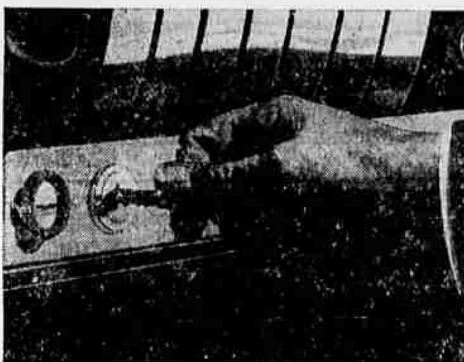

Because revolutionary new Royal Triton 5-20 and 10-30 motor oil flow so freely they radically reduce engine friction, materially increase engine efficiency.

Your car keeps that new car feel thousands of miles longer. Because new Royal Triton 5-20 and 10-30 motor oil clean your engine as they protect ... prevent power-robbing deposits from building up.

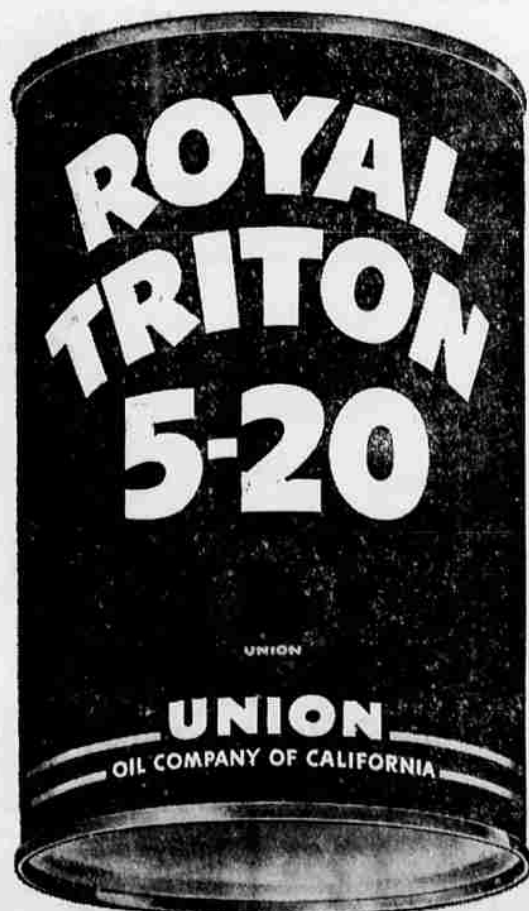

Your engine's repair costs are cut to the bone. Because amazing Royal Triton 5-20 and 10-30 motor oil hold wear of vital moving engine parts to next-to-none. This materially lengthens engine life.

Your engine responds quicker to the starter. Because free-flowing Royal Triton 5-20 and 10-30 reach a cold engine's bare metal far faster ... lubricate more completely. This saves your battery, too!

It's all been proved! Prove it in your car! Every promise here has been proved in thousands of miles of test fleet driving. Change to America's finest motor oil and prove these promises in *your* car.

WHICH GRADE of America's finest motor oil FOR YOUR CAR?

Use Royal Triton 5-20 grade with any new car that normally uses a 20 weight motor oil. Use Royal Triton 10-30 grade with any car, new or old, that normally uses a 30 weight motor oil or lighter. Both give you all-weather, all-climate protection year 'round.
