Plans awaiting the high school basketball season will see a double header this weekend in Pelican. Reno will be the visiting opponent and everyone is looking forward to a good game.

Peppers are already planning for the banquet and tea that will be held every spring. Sounds like a busy season ahead.

They want ideas. Dance-a-lot ideas for the theme and decorations for the big Girls' League annual. If you have any ideas write them out in detail, sketch suggestions and turn them in to GINGER MARTZ.

The winner, Jean Condrey, has been chosen "Miss Reflection" of the year. Jean will have to live up to the name and continue setting a good example of posture and deportment.

Deadlines, the El Paso staff is attempting to meet. School hours will not mean a thing from now on and Bonnie Parks will be doing her utmost with the "buggy whip" so that her staff will have everything in on time.

Confusion Reigns in License Bureau

MAGNUM, Okla. (AP) — Blaine Magnum, drivers license examiner for the state, greeted the young people who walked into his office at the courthouse.

"Is this where you get a license?" the man asked.

"Certainly. Who will be first," Stephen replied.

"We thought we'd get the license together," said the girl.

Stephen told the girl to sit down for an eye test.

After the examination, the girl commented: "This is funny. We've already taken a blood test. I didn't know you had to have an eye test."

Stephen suddenly got the idea. He hurriedly directed the confused pair to the marriage license bureau upstairs.

Pending Spree Proves Expensive

DETROIT (AP) — John Vlakov, 64, charged with driving with a suspended license, testified that he went on a spree for his 70-year-old wife Theresa. He spent on a shopping binge and bought 33 hats and 40 dresses.

Traffic Judge John D. Watts sentenced him to 30 days.

Mrs. Vlakov accompanied her husband to court — wearing a hat.

GUEST
TOKYO (AP) — Crown Prince Akihito was guest of honor last night at a dinner given by U. S. Ambassador John M. Allison at the American Embassy.

Pedestrian Hit by Car

Ten year old Jerry Amerling suffered a broken left leg and possible knee injuries about 3:30 p.m. Thursday when he was struck by a car at the intersection of 8th and High Streets.

According to city police the boy was knocked to the pavement by a car operated by Daniel Guy Johnson, 2002 Wantland.

A fifth grade student at Sacred Heart Academy, Jerry is the son of Mr. and Mrs. G. J. Amerling, 808 Mt. Whitney. The father is employed as clerk at the Post Office.

Schoolmates of the victim stated they had just started to cross High Street when the Amerling boy, who was slightly in the lead of the others, was struck.

He was taken to the Klamath Valley Hospital by Kaler's Ambulance Service.

Johnson, traveling west on High Street, told officers the sun blinded him and he did not see the boy in time to stop. He was cited for failure to yield right of way to a pedestrian.

Busy Thursday: more pictures were taken for the annual by Miller-Brumbaugh Studio. Snap shots were also being asked for by Editor Joannette Brandesky. Deadline for class snaps will be Jan. 15.

A change of uniforms and class came with student body day, yesterday. Bright skirts and sweaters predominated.

TASTE not AGE is the secret of fine whiskey

AGE ALONE is no substitute for the good taste of fine whiskey. If the whiskey is not a fine whiskey to begin with, no amount of ageing is going to improve its taste or make it a better whiskey.

That is why the distillers of Old Hermitage, using quality grains and the utmost in distilling skill, insist on producing a bourbon that is properly aged. To us, this means just one thing—the bottling of our famous straight bourbon only at the peak of its maturity. We have determined that our whiskey reaches that point, becoming fully and properly aged, at four years. Then, and not later, is Old Hermitage ready to bring you the peak of drinking pleasure.

You'll find the right age in Old Hermitage! Rich and flavorful, four-year-old Old Hermitage is bottled at the very peak of its maturity. No wonder it is the finest-tasting bourbon of them all!
