

PULLMAN TO THE RESCUE — A Korean mother, homeless after the Pusan fire, feeds her baby aboard the 8138th Army Unit Hospital train, parked on a Pusan pier. Some 6000 Pusan residents are living at the port's huge emergency relief center.

Fire Started At Store Door

PITTSBURGH (AP) — Fire, fed by gasoline-soaked rags, burned a barricade and a wooden door to the driveway entrance of Joseph Horne's north side warehouse early Monday.

The Horne's store is one of five big Pittsburgh department stores struck by 11 unions. The blaze caused an estimated \$200 damage. It was discovered by a watchman. Detectives said they found gasoline soaked rags crammed between the door and the barricade. The city arson squad is investigating.

Meanwhile, the Labor Standards Assn., slated wage talks with the AFL Building Service Employees, Local 29, representing 450 strikers at Gimbel's, Kaufmann's, Horne's and Frank & Seder.

AFL truck drivers touched off the strike Nov. 27. Other unions joined in the walkout. Wages reportedly are the chief issue but the unions have not spelled out their demands. Stores remain open but there are no deliveries.

Mossadegh Trial Decision Near

TEHRAN, Iran (AP) — The military court trying ex-Premier Mohammed Mossadegh on treason charges deliberated Monday following a final mercy plea from the Shah. A verdict is expected Monday or Tuesday.

The 35-day trial of the ailing, old former dictator wound up Saturday night.

Shah Mohammed Reza Pahlavi said in a letter to the five-man army tribunal Sunday it should consider Mossadegh's early services to the country in judging him. He is being tried for his life on charges he sought to overthrow the royal dynasty, defied the Shah's decree dismissing him last August and dissolved the lower house of parliament (Majlis) illegally.

Airport Strike Ties Up Traffic

PARIS (AP) — A French airport strike stopped all U.S. military transport flights in and out of Paris Monday and cut into Christmas holiday plans for many American soldiers in Europe.

American servicemen stationed in France who were planning on European countries were stranded at the Military Air Transport Service terminal. Some of them tried to get reservations on already overcrowded trains.

The strike of 2,000 control tower, radio and radar operators for pay increases forced both Pan American and Trans World Airlines to divert their planes to Brussels.
