**Near Thing For Arizona Paper**

TUCSON, Ariz. (AP) - The Tucson Daily Citizen spread over eight columns at the top of page 1 a story that the Citizen had been adjudged the best daily newspaper in the state for 1953 by the Arizona Newspapers Assn.

However, a four-column picture just below the Citizen's pride-filled award story was upside down.

An alert mechanical department caught the mistake and none of the papers hit the street.
