In their announcement, made public Thursday, the directors said that Mrs. Jacobs had been elected a director and vice president and Mrs. Marshall E. Cornett of Klamath Falls will continue as secretary-treasurer.

Capps will continue as manager of KSVR in Ontario.

Columbia River Deepening Asked

WASHINGTON (AP)—Sen. Gordon (R-Ore) Thursday asked Congress to approve a project to deepen the ship passage through the Columbia River mouth.

The project, recommended by Army Engineers, would provide a channel 48 feet deep and at least a half mile wide. It would cost \$8,555,000 with an initial expenditure of \$2,898,000 for dredging.

Construction of a spur jetty, costing \$5,657,000, also would be authorized under the senator's bill but would be built at a future date.

Oregonians To Attend Safety Meet

SALEM (AP)—Gov. Paul L. Patterson Thursday appointed 22 Oregon citizens to attend President Eisenhower's conference on highway safety, to be held in Washington Feb. 17-19.

The governor said he also would attend the meeting.

In a letter to the governor, the President wrote that the "mount-

ing toll of death and injury on our highways long ago reached a point of deep concern to all of us. It stands before America as a great challenge—humanitarian and economic—and must be met by urgent action."

Those appointed by the governor are:

Ben Robinson, Oregon Farm Bureau; former U. S. Rep. Lowell Stockman; George Brown, state CIO secretary; Clyde Crosby, teamsters union; E. C. Sammons, president of the United States National Bank; Ray Carr, advertising executive; Harold B. Larson and

Archie Pierce, both of Portland; G. C. Knodell, Albany; Mrs. Earl V. Dickensheets, president of Portland Federation Women's Clubs; Mrs. J. V. Springer, Portland clubwoman; Mrs. R. H. Walter, Portland; John Carpenter, Portland radio announcer; Arden X. Pangborn and Robert C. Pear Buying Plan Hoped

WASHINGTON (AP)—Rep. Ellsworth (R-Ore) held out hope Thursday that the Department of Agriculture may soon undertake a new pear purchase program to relieve surplus winter pear stocks in the Pacific Northwest.

He met with department officials Wednesday and while they would not state flatly that such a program would be undertaken, the congressman said, "they indicated the door was not closed to such a possibility."

Early this month the department announced purchase of 55 carloads of winter pears for the school lunch program and other outlets. Growers have advised Ellsworth, however, that they have a surplus of 650 carloads over last year.

Ellsworth said he met also with representatives of the department's foreign agriculture service seeking information on the pear crop, harvest dates and possible quantities of pears which might be shipped to this country from Argentina. He said he expects to have this information shortly.

Tow-Away Take Racks Up \$4,500

PORTLAND (AP)—In December 409 motorists parked between 4 p. m. and 6 p. m. in two-way zones and paid more than \$4,500 to get their cars back.

Lt. John Pittenger, in charge of police records, said 72 of the towed cars were from out of the state.

The average penalty of \$9 was divided about half to towing charges and half to parking fines.

So far this year the daily average of towed cars has been 17.

FINED

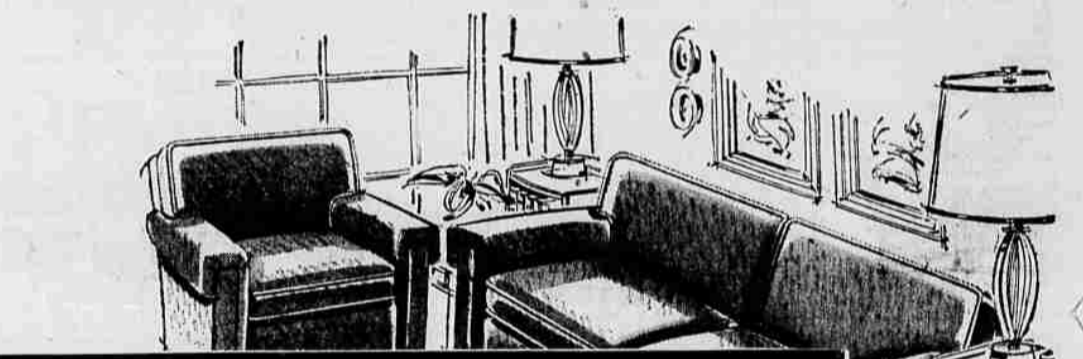

STOKES ON TRENT, England (AP)—Percy Harrison, 55, was fined 10 pounds (\$28) Wednesday for stealing several lengths of electric cable and a number of electric lamps from the bakery where he worked, Harrison took the equipment, he explained, to use in a Nativity play staged by a church of which he is a deacon.
