

ALSO - The Pause That Refreshes

Fort Rock

By HELEN PARKS

Sunday dinner guests of Mr. and Mrs. Charles C. Miles were Mr. and Mrs. Burton Brown, Mr. and Mrs. Leonard Pitcher, Owen and Jerry and Wayne Elder. Elder is from Ketchikan, Alaska.

Mr. and Mrs. Delbert Wilson and daughters visited Mr. and Mrs. Adrian Arney of Silver Lake Thursday, Jan. 7.

Fort Rock school children were a pleasure with the treat which awaited them on their return from Christmas vacation. Thanks are due to the Lakeview Elks Lodge.

Forest Stratton of Silver Lake visited Mr. and Mrs. Merritt (Bud) Parks and Mr. and Mrs. Delbert Wilson Sunday evening.

Mr. and Mrs. George Larimer of Lapine were Sunday dinner guests of Mr. and Mrs. Merritt (Bud) Parks.

Charles C. Miles is looking forward to irrigation time in 1954 when he plans to put in a new sprinkler system in his operation. The 330 feet of main pipe, 1320 feet of lateral pipe and 34 sprinklers are expected to distribute 600 gallons of water per minute, with five hours, 27 minutes required to put on four inches of water. Power from a 50 h.p. engine will have capacity for a third lateral to be added later if desired.

Miles has plans for irrigating 60 acres this year, including his 28 acres of alfalfa, with a schedule of two daylight sets covering 3.6 acres per day.

Immediately following the Jan. 9 Grange meeting, Richard Schaub and Andy Hergert explained possible telephone service available to Fort Rock by means of a mobile radio-telephone transmitter. The plan was outlined briefly and received enthusiastically by those present. Schaub and his company agreed to contact H. C. Kerron, Bend manager of Pacific Telephone and Telegraph Company, at once and arrange for him to explain details at a meeting at Fort Rock in the near future.

Sign-up days for the Agricultural and Conservation Committee (formerly PMA) are Monday and Tuesday, Jan. 11 and 12, at the Fort Rock Grange hall, with Walter M. Cory, Lakeview, and the local committee in charge.
