"JUST A FAMILY GATHERING" . . . but all the members are an important part of Malin social and civic life. Mr. and Mrs. John Brothank, seated, have lived in Malin since 1910, when they came from Gann Valley, South Dakota.

Their children, standing back of them, are (l to r), Mrs. Tony Victorine, Mrs. John Mitchell, James Brothank, George Brothank, Mrs. Charles Duncan and Mrs. Arthur McKoen, all of whom have Malin addresses with the exception of Mrs. Mitchell, who lives in Klamath Falls. That adds up to eight real Basin Builders!

LIBRARY CLUB BENEFIT BRIDGE TEA . . . called for long-range planning—to achieve the proper "circus" effect of this year's theme. The three members here are concentrating on the "facts and figures" phase of the elaborate arrangements—recording the measurements of the Pige Grove Room in the Willard Hotel.

From the left, Mrs. Merton Ferebee, Mrs. Andy Brink and Mrs. C. Ed Johnson—who with various other committee members went into "production" shortly after the picture was taken, and as this is written, a week before the scheduled date of the annual event (January 30), they have finished a large group of drawings to be used as murals around the big room.

The stunning result of their labors is a collection of "things-circus"—horses, bareback riders, acrobatic figures, flying trapeze performers, etc., all in heavenly shades of shocking-pink and turquoise-blue. Those who haven't time or the inclination to play bridge—but are interested in contributing to the tonsillotomy program for local children—will be well repaid for moments spent having a cup of tea or coffee and a "look" at the enchanting wall treatment.
