Better Health For Children—Is Aim Of Library Club Benefit Card-Tea Party

Library Club members working on the forthcoming annual benefit bridge and tea party are currently having "more fun than a circus," and promise the same for all those attending the event scheduled for Jan. 30, at the Willard Hotel.

At least, the committee in charge is knee-deep in clowns, circus animals and bareback riders to provide the true "arena" atmosphere. Whether or not the Willard Hotel Pine Grove Room will be transformed into the "Big Top" remains to be seen—but advance notice prophecy that this benefit party will uphold the tradition of the "Library Club Tea" as the highlight of the social season.

In addition to "an afternoon at the circus", those attending will directly contribute to bettering the health of several local youngsters, since all funds realized are used to further the tonsillectomy project for needy children not under the county health program.

They come from families not eligible for welfare; self-supporting but unable to provide such costly things as tonsil operations.

Each case is thoroughly investigated by school nurses, doctors and the Library Club committee. (Club committee members this year are Mrs. George Adler, chairman; Mrs. Clarence Ward and Mrs. Ray Oldenburg.)

Often a tonsillectomy will prevent rheumatic fever and attendant diseases; and the Library Club can pay for about 15 such operations a year, would underwrite more, if funds were available. The sole source of funds is the annual benefit bridge and tea party.

Co-chairmen for the party this year are Mrs. Andy Brink, in charge of the arrangements, and Mrs. H. O. Juckeland, bridge chairman. Mrs. Brink lists her committee helpers as: Mrs. C. Ed Johnson and Mrs. M. E. Ferebee, decoration; Mrs. John Cox and Mrs. Gene Hooker, serving; Mrs. John Ashley, tea table decorations; Mrs. John Houston and Mrs. Percy Murray, tea table appointments; and Mrs. Dave Liskey, usherettes. Committee members serving under Mrs. Juckeland are Mrs. Louis

Serruya, prizes; Mrs. Jack Dutcher, tables; Mrs. Ronald Carter, tally decorations; Mrs. Jesse Litwiler, reservations; and Mrs. Warren Bennet, auxiliary calling committee. The regular calling committee headed by Mrs. Gus Vlahos will phone club membership.

To make an outstanding party even "more outstanding," a local barbershop quartette is scheduled to provide a program break, of the high caliber always associated with local SPEBSQSA songsters.

Vital statistics for the party are that cards will commence at 1 p.m., tea will be served at 3:30. Card playing will be at individual tables and any type of card game may be played. Those attending are asked to bring their own cards and table covers. Guest-for-ten-only are welcome, and may contribute to the Children's Case Benefit Fund by means of a silver offering. There will be special prizes and individual table prizes awarded before tea is served.

All women in the Klamath Falls area are invited to attend whether or not they have been called. Attendance is definitely not limited to club membership. Reservations may be made by phoning Mrs. Jesse Litwiler, 2-3323. It is hoped to accelerate the tonsillectomy program—with the slogan "More funds mean better health for more children."

Dorris Girl Wed In No. Carolina

DORRIS — Revealed this week was the marriage Dec. 4 in North Carolina of Shirlee Stevenson to L. D. Welch.

The bride is the daughter of Mrs. Woodie Wilson of Dorris and had been called home by the death of her grandfather, Fred Howard, of Klamath Falls. She remained for a visit with her mother and family. Her husband flew here to join her
