Boy Not Scared

Geo. N. Taylor

Egypt, Centuries Ago — "The Angel of Death will see the blood on the door-post and pass over," So said the lad. — "I will be safe even if I am the first-born in our family, For I saw the blood of a slain lamb put on the door-post as Moses, our leader, commanded us." And the lad continued — "The Angel of Death will see the blood and pass-over." Exodus 12:12-13.

Came Christ: — Centuries later came Christ whose blood washed away the lad's sins and yours also. For, the blood of Jesus Christ, God's Son, cleanse from all sin. Then — "Believe in the Lord Jesus Christ and be saved." Acts 16:31 God gives you eternal life, only as you believe in Christ as dying for your sins; Believe and he saves, urges the family that sponsors this space.

Test Drive a FORD... and you'll want to drive it home

Try the "Y" or the "I". You'll thrill to Ford's greater responsiveness the first time you take a Test Drive. And you'll discover that this new "GO" is yours through the full range of driving speeds! Both of Ford's new engines have an extra-deep block extending well below the crankshaft, giving the V-8 a "Y" shape, the Six an "I" shape—and you a more rigid, smoother, quieter engine. Both are short-stroke engines, too, which means less internal friction, more usable energy, greater gas savings and long engine life.

Feel how Ford's new Ball-Joint Front Suspension cushions the bumps. You'll find a new kind of ride... level and smooth... even on rough, rutted roads. And, because Ford's new Ball-Joint Front Suspension is simpler than the conventional type... with 12 points of wear eliminated... that "new-car" feel lasts longer.

Look at your beautiful surroundings. You'll see why Ford interiors for '54 set a new high in beauty. For here is a matchless blending of fabric, color and styling. Every detail says "fine car" quality from the new upholstery and trim to the unique new Astra-Dial Control Panel. And you'll find there's all the "living room" you'll ever want or need.

See how Ford's optional power assists* make your driving easier. Unlike other low-priced cars, Ford offers a power-lift system that operates on all-four windows. And Ford's power-operated front seat moves up and down as well as back and forth. Ford also offers power brakes, power steering and Fordomatic Drive.

Your fun really begins when you own a Ford!

Of course, you can't fully appreciate the many, many "worth more" advantages that are yours in a '54 Ford until you actually own one. You'll find that your Ford provides the careful craftsmanship of a hull-tight Crestmark Body, the added safety of Full-Circle Visibility, the easier action of suspended clutch and brake pedals and the convenience of Center-Fill Fueling... advances which make your Ford more fun to drive. And only Ford in the low-price field brings them to you. Why not join the swing to Ford!

We cordially invite you to Test Drive a **'54 FORD**
