At 11:25 p.m. a light snow was falling at nearby Friendship Airport and temperatures were down to 41.

Houston Named Top Life Man

John H. Houston, Klamath Falls, has been designated the top Life Underwriter for the Oregon Agency of the Equitable Life Assurance Society for 1953, according to word sent to him this week.

The rating specifies him for the Equitable million dollar club and puts him in 58th place in the U.S. in an organization of some 8000 representatives.

Houston is starting his 38rd year in the life insurance business.

The Equitable company paid an approximate 16 million dollars in policies in Oregon in 1953.

The group forced to cancel their dance Wednesday night when Dr. Price, caller from Seattle, was snowbound in Weed.

Time Bomb In Locker Studied

HUNTINGTON, W. Va. (AP)—A Huntington high school student has admitted placing a homemade time bomb in his school locker "to see the reaction of teachers and students." Lt. Rush W. Bloss of the Fire Prevention Bureau said today.

Bloss said the 16-year-old student told of cutting a hole in the bottom of a wax candle large enough to hold a firecracker. He put the firecracker in the candle and lit it.

When the candle burned down to the firecracker, a loud blast came from the locker.

No charge was placed against the student.

SADIST

MONTREAL (AP)—A sadist who slashes women's legs with razor blades as they board streetcars or buses was the object of a wide police hunt today. He has wounded seven women here since last Friday. He apparently hides the blades on the peak of his cap.

GARY MCKINNEY, USN, Co. 303, San Diego, has returned to his base following a 14 day leave which he spent with his parents, Mr. and Mrs. A. J. McKinney, 3130 Butte. Gary is a former KUHS student.

C of C Opens New Drive

Each member of the board of directors of the Klamath County Chamber of Commerce voluntarily accepted responsibility for five new members at the start of the new year.

Seven new members were reported at the forum luncheon at the Winema hotel Wednesday noon. They are: Floyd's Studio, Buy-Low Market, Sessler, Inc., East Side Appliances, Patrick W. Kilby, Louie's Food Store and Gilmore Sign Company.

Various committees reported on activities.

Bill Loreng of Chiloquin brought sections of the proposed Indian termination bill which he turned over to William Ganong Jr., director in charge of national affairs.

The 1954 budget, substantially the same as last year's, was read and approved.

Merrill Cubs Aid Dimes

MERRILL—The March of Dimes will be the sole beneficiary from the efforts of Merrill Cub Scouts Pack No. 7.

The boys canvassed the town for pop bottles and wire coat hangers, and got \$25.12 from the sale of bottles collected. The more than 900 hangers donated by local townspeople will be turned over to the Coca Cola Bottling Company in Klamath Falls, with proceeds from their sales going into the fund.

Den mothers, Mrs. Clair Duncan, Mrs. William Hill, Mrs. Lou Hill, Mrs. Carrie Mattson and Mrs. John Stolt assisted the boys.

Anyone who was missed by the Cub Scouts will have ample opportunity to aid the March of Dimes as two other benefits are planned according to Paul Knox, chairman for this area.

On Thursday, January 28, a "Mothers March" is planned by members of the VFW Auxiliary; Mrs. Joe Fotheringham is chairman. Residents wishing to make cash donations are asked to turn on their porch lights between 7 and 8 p.m. and their contributions will be collected.

Basketball game is planned for Sunday evening, January 31, at the Merrill High School, when the "Old Pros" play the Merrill Townies. Sixth and seventh grade boys will play in the preliminary, and all proceeds will go to the March of Dimes fund.

Test tube containers are located in every place of business in town to accommodate those who don't like basketball, weren't home when the "mothers marched," or had no coat hangers or pop bottles to donate.
