### DAR Sponsors Forum Here

"The Perpetuation of the Spirit of Americanism," is the theme for a forum, Monday night, February 1, 8 p.m., sponsored by the Daughters of the American Revolution. This second forum is in response to the favorable comments that followed last year's panel discussion on the subject. The forum is to be held in the YMCA with Floyd Wynne, KFLW announcer as moderator.

Participating will be Eva Burkhalter, who will give the DAR in-

terpretation of the subject; Eleanor Ehlers, who will represent the American Association of University Women; A. D. Addison, Herald and News who will discuss a free press in a democracy and George Davis, president of the chamber of commerce whose topic will be on free enterprise as the backbone of American economy. Chairman of the program is Mrs. Phil Brixner.

Announcement of the plans was made by Mrs. Charles R. Waters, regent of Eulalona Chapter, DAR. The program will take the place of the regular monthly meeting of the chapter for February.

The public is invited to the forum and questions and answers from the audience will be invited.

**Change** — the meeting of the Camp Fire Leaders Assn., scheduled for Wednesday January 27, 7:30 p.m. has been postponed until Wednesday, February 3, at the same time in the First Methodist church.

### Thieves Break Into Kalpine Store

Sheriff's deputies were searching Thursday for thieves who looted the commissary at Kalpine Plywood Co. and escaped with a large amount of cigars and candy and an undetermined amount of cash.

Deputy Sheriff Don Hammond said the burglary took place sometime between 1 a.m. and 6 a.m. Thursday. The battered candy, cigar and soft drink machines were discovered by a watchman shortly after 6 a.m. Thursday.

### Police Check Breakin Trys

Two breakins were reported to Oregon state police early this morning by Mallory's Markets No. 1 and No. 2.

Entrance to store No. 2, 3801 Allamont Drive, was made by breaking out a pane of glass in the front door. After a thorough check this morning by store officials nothing was found missing.

Store No. 1, located at the Lakeview junction was entered by prying off a latch on the front door and again nothing appears to be missing.

According to the managers of the establishments it is believed

the culprits were looking for safes that could be carted off. There are no safes in either store, it was stated.

About two dollars in one till was the only money in the stores and this was not taken.

### Treasury Eyes Finance Plan

WASHINGTON (AP) — Secretary of the Treasury Humphrey is offering to refinance in one giant 21-billion dollar operation five treasury securities maturing in the next few months.

It was the single biggest re-borrowing package the treasury ever put on the market. Its scope and dollar size were a surprise.

Humphrey offered late Wednesday to refinance three bonds, a one-year treasury certificate and a 4 1/2 year treasury note into a new seven-year, nine-month bond or a new one-year certificate.

The package deal was obviously aimed at achieving a number of objectives, among them:

1. Converting some short term debt and some long term bonds that have only a little while to run, into longer term debt.
2. Reducing the number of government securities on the market, and, in that way, cutting down the number of times the treasury must refinance maturing securities.
3. Taking advantage of present low interest rates to do a lot of refinancing. The implication was that the treasury may think interest rates will be rising later this year.

Humphrey also announced that consideration is being given to the cash sale of a new, long term bond later this year.

### Bonanza Park Election Set

Following a meeting in the county court rooms Wednesday, at which time definite boundaries were established for the proposed Bonanza memorial park cemetery district, an election date was set for March 15.

In establishing the district boundaries a considerable portion of Weyerhaeuser Timber Co., tree farm holdings was placed outside the boundary limits.

In the March 15 election three directors will also be elected.

This is being done to eliminate the cost of holding an additional election in case the proposed district is voted in at the election.
