Mother To Try World Flight

BURBANK, Calif. (U) — Diminutive Dianna Bixby is preparing today for an assault on the world flight record that eluded her four years ago.

The 31-year-old mother of two children, a flier since she was 20 and with 9,000 logged hours, has set a tentative takeoff date of Feb. 10, 1947.

Mrs. Bixby's 20,535-mile route will take her from San Francisco to Newark; N. J.; Paris; Basra, Iraq; Karachi; Calcutta; Tokyo; Midway Island; and back to San Francisco.

Her plane is a twin-engine De Havilland Mosquito bomber named Miss Flying Tiger.

In 1939 Mrs. Bixby and her husband Bob, who is her flying partner in Bixby Airborne Products, Long Beach, Calif., a charter freight line, attempted the world flight. But they had engine trouble in Calcutta and missed out on a possible record.

Polio Victim Exploited

INDIANAPOLIS (U) — A crippled 18-year-old boy, who said he was a victim of polio, told police yesterday he had been exploited by magazine subscription crews for 2 1/2 years.

The boy said he was Franklin Miller of Huntington, W. Va. He hobbled up to the Travelers Aid Society desk at Union Station and asked for money to get back home to his widowed mother.

He told police he was forced to exploit his crippled condition to sell magazines. He told how crew managers never turned over his earnings but doled out spending money and wrote down the balance in his books.

Lt. Harry M. Bailey, head of the juvenile aid division, said an investigation is being made of magazine crew chiefs who hire juveniles and then abandon them hundreds of miles from home.

HOLIDAY
 WASHINGTON (U) — The first Sunday of every October would be designated as Grandparents Day under a resolution introduced yesterday by Rep. Holtzman (D-N.Y.).

Truman Speaks To N. Y. Democrats

NEW YORK (U) — Former President Harry S. Truman is in town to discuss "The Real Issues in American Politics."

That's the subject of his talk tonight, at the annual Roosevelt Day Dinner of Americans for Democratic Action.

The speech will be recorded by CBS and heard over its radio network from 10:35 - 11 p.m. (EST).

Truman flew in from Kansas City yesterday and said he would skip his customary morning walk today to work on the speech.

FBI Fugitive Defended By Neighbors

LOS ANGELES (U) — Alex R. Bryant, 48, was listed as one of the FBI's 10 most wanted fugitives before his recent capture. But now nearly 100 neighbors and business associates want him.

They want him to stay here with his wife and baby in the suburban cottage on Mt. Washington, where his attorney says Bryant has led an exemplary life for nearly two years.
