

### Anti-McCarthy Strategy Planned by Democrats

By EDMOND LE BRETON  
 WASHINGTON (AP) — The Democratic National Committee said today it is sending "truth kits" ahead of Sen. McCarthy (R-Wis.) and party workers in the cities along his present speaking route.

The committee said in an accompanying letter it is providing the material because of indications that McCarthy "has been considerably more careless with the truth while speaking away from Washington than he has been in the capital, where he is under the scrutiny of reporters who have the facts readily available to enable them to check on his claims."

McCarthy opened his Lincoln Day tour last night in Charleston, W. Va., with a charge that the era of recent Democratic administrations was "20 years of treason."

The Wisconsin senator said the "able Democrat (s) . . . stitched with the idiocy of a Truman; rotted by the deceit of an Acheson; corrupted by the Red slime of a White."

He said there were Democrats "who hold their heads high . . . and who refused to yield," but they were not numerous enough to be the lever that controlled the political destiny of a nation for

two decades" and the result was "20 years of treason."

Speaking about the same time in Cheyenne, Wyo., Democratic National Chairman Stephen Mitchell accused the Republican party of giving up its scruples and making "a new and massive attempt to win a national election through the systematic use of slander."

Mitchell said there was a "calculated, deliberate nationwide campaign launched by the Republicans to try to paint the Democratic party as the party of communism—as the party of treason and disloyalty."

He denounced also what he called the philosophy of "what is good for big business is good for the country."

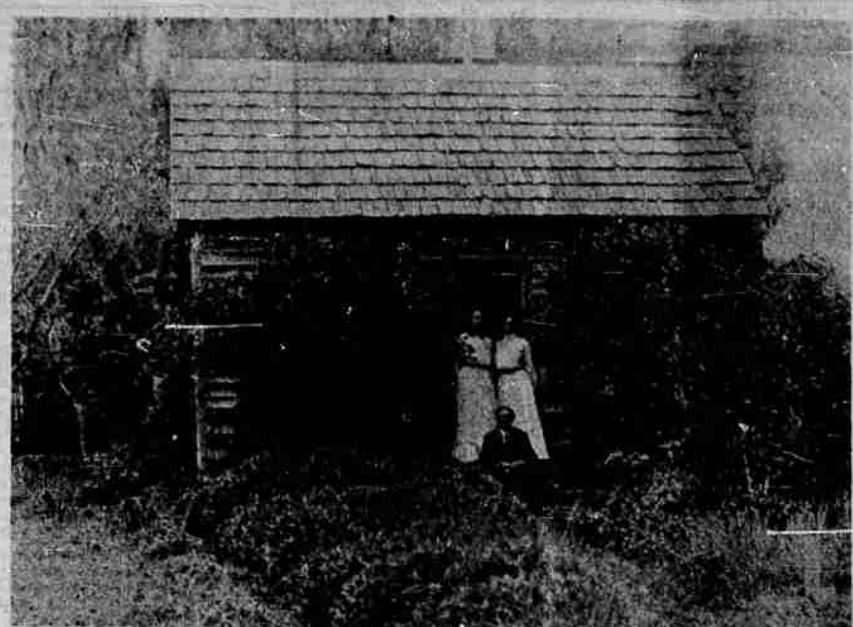

There was no immediate comment on McCarthy's statements from the two living Haraldis\* he singled out for special mention—former President Harry S. Truman and former Secretary of State Dean Acheson.

Harry Dexter White, who died in 1948, was the central figure in a furor that began last November when Atty. Gen. Brownell charged Truman promoted White in the face of FBI warnings he was a spy.

In his speech last night McCarthy predicted that a number of witnesses he has called in his Senate investigations subcommittee probe of security at Ft. Monmouth, N. J., "will go to jail for contempt."

Detailing, as he has before, what he termed the technical difficulties of bringing espionage charges, he said it is probable that no espionage cases will be developed from the investigation of the New Jersey radar center.

The Democratic committee said its "truth kits" contain material on Democratic officials' activities against communism and "a Democratic Digest article showing how Truman has smeared many innocent persons, including Gen. George C. Marshall and President Eisenhower, himself."

### Mail Rate Boost Fight Said Sure

WASHINGTON (AP) — Some Republicans said Friday it took whipping by the Eisenhower administration to get a House committee's approval of higher letter postage, and others predicted the House itself would kill such increases.

Some GOP resentment over reported admission pressure was evident in the wake of Thursday's 13-9 vote by the House Post Office Committee to hike from three to four cents the cost of mailing out-of-town letters. This is a major item in a program \$25,760,000 yearly.

The one-cent increase in first-class letter mail would also add a penny to the cost of mailing sealed and unsealed Christmas cards.

No change is provided in the present two-cent Post Office drop letter charge, or the three-cent charge for local delivery.

Next in order for committee consideration were increases totaling \$19,800,000 on second-class charges for newspapers and magazines, \$56,300,000 on third-class charges for advertising and commercial mail, and \$15,600,000 on air mail charges by increasing the cost of air mail letters from six to seven cents.

Several Republicans who asked to remain anonymous said "terrible pressure" for the administration-backed rate bill had been put on committee members through state and national GOP committeemen and influential back-home Republicans.

The added yearly revenue yield to the Post Office from the letter rate increase is estimated at 159 million dollars.

The Post Office deficit this year, which the increases are intended to reduce is expected to approximate half a billion dollars.

### Local Police Report Cases

Three break and enter cases were reported to local authorities Thursday, by two South Sixth street business establishments and the high school at Dorris.

Buffalo Lunch, 2451 South Sixth, was entered some time Wednesday night by thieves who broke a front door glass to gain entry. \$37.15 was reported taken from the cash register and one carton of cigarettes and about 20 Roi Tan cigars.

The Model Cleaners, 2205 South Sixth, had a large plate glass window broken out the same night and about 51 in pennies reported taken. It could not be immediately determined if any clothing was taken, according to John Zumwalt, plant foreman.

Thieves forced open two outside and two inside doors at the Dorris high school some time after midnight Wednesday and made off with about \$100 in school funds. The money had been collected that day for student pictures.

### Dimes Chiefs Report Total

A total of \$4,028.32 in cash has come in so far from the nine special events for the March of Dimes campaign just ended, according to Bob and Tom Perkins, co-chairmen of that division.

Net proceeds from the individual projects show discrepancies in the amount pledged and the amount donated, but campaign officials hope that those who have not sent in their pledged amounts will do so soon.

A breakdown according to projects follow:  
 KFLW radio auction, \$2,562.50 (\$841.20 of which was raised on Gail Putman's tricycle); KFJI radio request program, \$134.10; Mile of Dollars, \$92.70; Block of Dimes, \$466.37; square dance, \$387.35; parking meters, \$103.90; Lucky Lanes Bowling Alley, \$49.40; KPJI Ball Bond show, \$269.

Many individual contributions and many pledges are not in yet, making it impossible for the committee to close its books and announce the final sum from the Klamath County March of Dimes campaign.

### Youth Counsel To Speak

TULELAKE — Berthel Mason, M.D. of the San Jose State College, counseling department, will address the Tulelake high school PTA at 8 p.m. Tuesday, February 9, in the elementary school auditorium.

Dr. Mason, an authority on teenage social and emotional adjustment, is a speaker popular with youth groups and adults throughout the state. The PTA and high school are financing her appearance.

Accompanying her here will be Rudy Albrecht, Sacramento, YMCA field representative, who will appear with her on the afternoon program for students at the high school.

Parents are urged to bring written questions to the evening meeting, as Dr. Mason frequently speaks from questions submitted by the group being addressed.

The meeting day has been changed to suit Dr. Mason's heavy schedule of speaking engagements and the auditorium has been arranged to accommodate a large audience.

The program committee urges parents of high school students, of children approaching their teens, and all persons interested in the youth of the community to attend.
