Care-Handling Preserves Fine China

By KAY SHERWOOD
Caring for fine old china is a pleasurable sort of worry for homemakers who prize the beauty of old-time imports, the nostalgia of grandma's hand-painted plates and the rarity of cups from a long-outdated pattern. You want to use your treasures occasionally for appreciative company. But there's always the fret that an accident is going to happen. Sensible precautions and first-aid repair work will help to keep your fine china in the family.

PTA SUMMERS

Mrs. Hagan Moore, president of the Klamath County Council of PTA, was the guest speaker at the Summers PTA Founders Day meeting, held on February 8, at the school. Mrs. Moore emphasized the PTA scholarship fund and its availability to graduating seniors who are interested in becoming teachers.

Most Women Have...

A SECRET LONGING... not for a handsome HUSBAND, greenbacks in the strong-box, fine LINGERIE or first EDITIONS but for a FAMILY CAR... planned for her CONVENIENCE

This week we FOUND it... a CADILLAC... at the DICK B. MILLER CO... the most THRILLING car we've EVER stepped a foot in

CHAIR HIGH seats with FOAM RUBBER cushions, front 'n' back, so as a down bed, for relaxed driving... POWER STEERING, so sensitive to the touch, it's practically effortless... and FOOLPROOF for us "women drivers" as the dear men say...

POWER BRAKES that save your nerves in tight spots, BRAKES that shift THREE ways if something GIVES that shouldn't. You'll THRILL to CADILLAC'S PANORAMIC VISION WINDSHIELD, no more shuddering on THAT street where children stroll to school... to BUTTON release of clear water for windshield CLEANSING... one gentle push, the deed is done, water swishing, drying in the CADILLAC at the DICK B. MILLER CO...

Look for the AUTOMATIC DIMMER... it works as the light from an approaching car shines on you, turns of when it's by, all regulated by the MOST astonishing ELECTRIC EYE... look for the LEATHER, NON-GLARE PANEL above the dash... the SELF OPERATING RADIO, that tunes in station to station as you drive a country road, or flick through city thoroughfares... the STURDY nylon SEAT COVERS... the highly TINTED WINDOWS... FINGERTIP SEAT CONTROL... the MAMMOTH luggage compartment for tucking in that EXTRA frock you want to take along...

And "tho" you may not be one bit mechanical, you know the VALUE of a DOLLAR... the new "82" rolls up to NINETEEN miles on ONE gallon of gasoline... won't poppa love THAT feature?

Perhaps we've gone overboard, been too DRAMATIC, but THIS experience WAS dramatic... no woman should miss it at 716 Klamath Avenue, the Dick B. Miller Co.

One of the smartest spring coats in our town, made by the nimble fingers of a gal who can sew, was fashioned from "tapestry," the very same material used for upholstery a chair... the fabric, in a small paisley design, was soft enough to drape, firm enough to flare beautifully... she'll wear it smartly over cottons.

Aren't You Thrilled and EXCITED and utterly ECSTATIC about VERA'S... our BRAND NEW addition to MAIN STREET where you get VERA'S very "Own Make Candies and Nuts," the very SAME quality that you've ALREADY sampled and found the BEST you've EVER tasted?

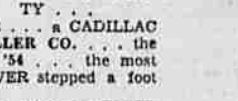

VERA RUTQUIST, with 25 years EXPERIENCE in CANDY making is an EXPERT... her fine CHOCOLATES are hand-dipped... we found at LEAST 30 varieties of confections... YOU'LL find them in her charming, fresh location, built especially for HER, next door to Bud's and Charlotte's... where she's settled.

Just in time to help you choose that VALENTINE BOX of CANDY to sweetly say, "I'd like you for my sweetheart. Why don't you name the DAY?" Drop into VERA'S where you'll find both WHOLESALE and RETAIL service on FINE CANDIES and NUTS at her new location, 1068 Main.

Load her arms with PUSSY WILLOWS, harbingers of Spring and luck a daffodil among her shining curls... send her a VALENTINE arrangement with fluttery HEARTS or a CORSAGE to pin upon her shoulder while you spin her through a waltz... so make like the little chap with the straight-shooting arrows and give the NICEST Valentine of ALL... Attent-s-h-u-n!

Eyes right... ezrs perked! WE discovered something this WEEK... not about YOU nor your neighbor, nor the gal down the highway but about CURRIN'S!

ONE moment that CURRIN'S isn't on tip-toe when it comes to SPECIALS by TUSSY! WELL! you're WRONG.

On a Sunday morn, in a BIG city edition, read a flowery AD about the HUGE (pint size) bottles of TUSSY SKIN LOTION (for dry skin), TUSSY SKIN FRESHNER (for normal or oily epidermis) and that AMAZING cloud-light, fluffy, pink, TUSSY EMULSIFIED CLEANSING CREAM that makes your skin velvety as a pansy petal at such LOW price tags and mourned a bit that we were far away... then... "WHAM!"

We felt we'd let our home town and CURRIN'S down (in thought only) for THERE, inside the door, next day, we found the VERY same SPECIAL at the VERY same prices...

Those LUXURIOUS big bottles of TUSSY SKIN LOTION and TUSSY SKIN FRESHNER, regular \$1.75 size for ONLY \$1... TWO sizes in TUSSY EMULSIFIED CLEANSING CREAM (in those stunning black and pink jars) the 8 ounce, \$2 size, now \$1.25... the MAMMOUTH \$3.50 (1 pound) jar for \$2.25, plus tax of course.

With TUSSY skin and flirty eyes... better look out, for young Dan Cupid's "here about" he'll twang his bow, the dart will fly, and unless you're very, VERY wise, HELL win your heart and you'll NEVER be sorry you went to Ninth and Main,

The great news for every American woman today, is the new zipper that can be unzipped with the flick of a magic tab that has taken the "zap" out of zipper. "Zap" is what happens to the human mind when a zipper jams. Every one knows the frustrated feeling when a zipper sticks, but those days are over. If you'll ask for the new Magic Tab, so simple to work, even Teddy can free himself from a jammed zipper.

If Your Heart's on FIRE... if you can't wait another moment to reach her side, and your palms grow cold and your heart's beat might smother you... if you tremble when you hear her voice, and blush to look into her limpid eyes, you're in LOVE, brother! you're in LOVE, and there's nothing you can do about it without the HELP of the KLAMATH FLOWER SHOP and a "passie" of POSIES... Shock her into your arms with a pot of RED TULIPS... smuggle her heart against yours with an armful of RED ROSE BUDS... cuddle her cheek over the sweetness of fragrant HYACINTHS... OR... if you'd RATHER give a lasting gift, the symbol of your CONSTANCY, fan her love into a flame, come VALENTINE DAY with a "BOWL o' BEAUTY, red ROSE BUDS in a crystal sphere, fragile as a baby's tear... at the KLAMATH FLOWER SHOP.
