Dr. John Waterman, psychiatrist with the Oregon State Board of Health, was guest speaker at the luncheon meeting of the Soroptimist Club Thursday, at the Winema Hotel. He was introduced by Mrs. Victor E. O'Neill, member of the Oregon State Board of Education.

Dr. Waterman gave a review of the services being given to Klamath County by the board of health, the goals that have been set since organization of the Child Guidance Clinic in Klamath Falls and the plans for consideration of a full-time social worker.

March 4, was announced as the date for the book sale to be conducted by the club and members are asked to take as many used books as possible to the meetings until that time.

The annual banquet is planned for March 24.

VISITS PARENTS

MACDOEL — Lloyd Naught returned recently from attending the 51st wedding anniversary of his parents, Mr. and Mrs. E. C. Naught, at El Monte.

The senior Naughts moved to Butte Valley in 1915 from Washington to live on the Sheep mountain ranch near Macdoel.

They moved to the Rogue river valley of Oregon in 1923, back to Butte Valley in 1935, and to El Monte in 1946. Their son, Lloyd, has lived continuously in Butte Valley since coming here with his parents in 1915.

The senior Naughts have eight children of whom only one daughter was unable to attend the celebration.

The group spent one day sight-seeing at Knott's berry farm at Buena Vista as a part of the celebration.

REFLECTIONS FROM

JULIANNE ECCLES — expected home this weekend with her mother—is a week old today—She was born February 6 in McMinnville General Hospital in McMinnville — and her dad Julian E. flew up a couple of days ago to get them—The new arrival who weighed 8 pounds last Saturday will be greeted at the Eccles home on Conger by her brothers Ralph—4—and Red—2.

JOHN M. EPLEY—will be married before I get him completely engaged! — I was jokingly reminded that he is a graduate of BOTH Fremont and KUHS—and the same note mentioned that the Hank Semons and Red Bussmans dropped in on the Mac Epleys last Sunday night — Semons now at Desert Hot Springs after marlin fishing off the coast of Mexico.

SHORT STOPOVER — on way home from Palm Springs—Joe and Lucille Gerber (Gerber Legendary Blades) visited local friends last Sunday — before continuing homeward trek to home in Portland and their children—Philip and Stephanie—who had stayed home accounts school.

RUTH NEWTON — whose marriage is announced elsewhere in today's society section—is a member of an old pioneer family—her mother — the former Edith Short came to the Klamath country in a horse drawn wagon from California—and her g-parents raised the first dry land potatoes on Klamath Basin hillsides — they were pioneer land owners in Tulelake—and the late "Judge" Short was her uncle—incidentally—she's Bob Short's cousin—who was with the H & N before leaving for Eugene —SHE was supervisor of the Southern Oregon branch office of the Boys and Girls Aid Society of Oregon in Medford—now to be at headquarters in Portland.

GRANDDAUGHTER — Denise Elizabeth was settled at home (on Homedale) with her parents—Jack and Carmen Robbins—and her 2 1/2 year old brother—Jack Montgomery (Jackie)—so g-ps Paul and Edna Jones left for SF Wednesday for a business and pleasure trip—(dr Carmen claims that a vacation was well earned—that g-mother Jones had taken care of Jackie) while she and Denise (born January 23—7 1/2 lbs) were in hospital—and when they were released—she took care of THEM too! With an intelligent interest in all types and trends of furniture—even the Market Week is on in SF — a good guess would be that much of their short "brather" will be spent in out-of-the-way places where the unusual and unexpected (old OR new) in household equipment is to be found—WE hope they have at least one day just contemplating the furniture in their hotel room—between calls for ROOM SERVICE—

HOME FROM U of O—last weekend with his parents Mr. and Mrs. J. W. Peak—1945 Huron—was son Joseph James (Jim)—Now in his first year at Oregon — this PARTICULAR weekend he was wearing his Lambda Chi Alpha pledge pin—and as "home from" was written—it occurred to me that Fern and Joe Peak have the same "soft-blind-fun (or) son-spot" for the same (almost) crew as the Nersehs.

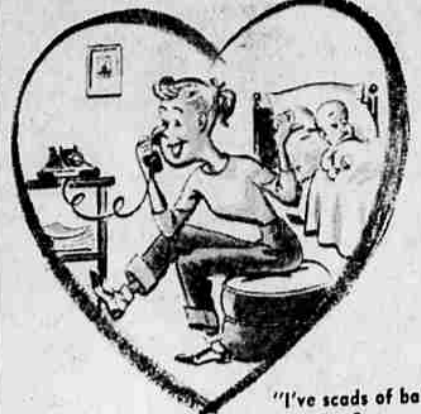

TOMORROW IS—Sunday—ALSO it's Valentine's Day—and knowing my limitations — (not being endowed with helicopter wings—OR possessing any of Cupid's weapons — or skill to use same)—will confine this Valentine's greeting to a verbal (non-archery) expression of all good wishes—TO ALL!

SPEAKING OF WEAPONS—we were armed with some advance information about the Shaw housewarming in Redding last Saturday — but held our fire—because it was to be a surprise—n BOY do we LIKE 'em! — but just FOR (not OFF) the record — we hope the John Shaws in their new home in Redding will be a little surprised with a pictorial account THIS week of their LAST week surprise.
