Mountaineers Rap Raiders ASHLAND (P) - Eastern Oregon, behind for three quarters, surged ahead in the final period to defeat Southern Oregon 60-60 in Friday night's non-conference basketball game. BOGE's Gary Burton tied the score at 61-all with a basket late in the final quarter. Then center Bob Adrian pushed one through to put Eastern Oregon ahead to stay. Ted Schwedwitz was high for the winners with 20 points—one less than Ken Kimura scored for Southern Oregon.

Kentucky Aims For Number 18

By RIF WATSON NEW YORK (P)—Five of the nation's highest ranking college basketball teams swing into action tonight with winning streaks totaling 55 games, and they'll be mighty surprised if the streaks don't add up to 60 when all the scores are in. Kentucky, the nation's No. 1 team in the Associated Press poll for weeks, takes a 17-0 mark against Mississippi on the Wildcats home court, where they haven't lost in more than a decade. Oklahoma A & M also goes to work with 17 straight, dating back to a December loss to Minnesota, and the Aggies figure to make it 18 against Oklahoma A & M, ranked fourth in the country, whipped the Sooners 65-48 earlier in the season. La Salle, No. 7 team, also hasn't lost since December and their winning streak should reach an even dozen tonight against Temple, a team the Explorers whipped 77-53 a few weeks ago. SELL-OFF Indiana is another team which hasn't lost this year—meaning 1954, and the third-ranked Hoosiers will have a sellout crowd on hand in the Northwestern field house as they go for their tenth straight. Leading the Big Ten with an 8-0 mark, the Hoosiers will be listening for the score from Minneapolis, where Iowa (7-1) will face Minnesota (6-2). Western Kentucky, No. 5 team, is the other top ranked in action. The Hilltoppers boasted the longest winning streak in the country, 21 games, until being upset by Eastern Kentucky last week. They came back to start a new one against Morehead Monday night and Murray State, a 57-43 victim earlier, should double the streak. Two other members of the top 10 stretched modest win skeins last night. Holy Cross, No. 9, won its sixth in a row since a loss to North Dakota 67-54. They play again Tuesday at Brown 68-64. George Washington, No. 10, clinched first place in the Southern Conference race by wallopping Washington & Lee 108-63 for their fifth consecutive victory. IDLE Duquesne, second ranked, Seattle eighth, and Notre Dame are idle this week-end. Bradley's Dick Estergard set a new school record by scoring 33 points in his school's 97-90 victory over Marquette. Dartmouth moved up to a tie for fifth place in the Eastern League by ousting last place Brown 68-64. Oregon State, led by towering Swede Halbrook, who made 20 points, took over first place in the Pacific Coast Conference's northern division by wallowing Washington 70-47 while Idaho was trimming Oregon 68-54. In the southern division, UCLA moved to within one game of California by trouncing the leaders 82-54. They play again tonight. Colorado A & M widened its Skyline Conference lead by nipping Utah 66-62 as second place Brigham Young bowed to Wyoming 63-47.

By JACK HAMB NEW YORK (P)—Joey Giamba lost face, Italo Scorticini lost face and TV fans lost their temper. That was the net result of last night's 10-round cross country race at Madison Square Garden where Giamba won an unpopular split decision over Scorticini. One TV viewer even called the AP office in New York from Los Angeles to protest about the "lousy" decision. Most of the 3,011 who paid \$7.481 to watch in person bombarded the officials with their boos. Judge Frank Forbes voted for Giamba 7-3 and Referee Ruby Goldstein also gave Giamba the edge 6-3-1. Judge Art Aldala saw it for Scorticini 5-4-1. The AP card agreed with Aldala. Eight of 13 ringside boxing writers sided with Scorticini. Giamba, a 4 to 1 favorite, even disappointed his manager, Tex Sullivan, although Tex thought he won all the way. "He didn't look like the real Giamba until the late rounds," said Sullivan. The fighter had a strange explanation. He said he had gone "right hand crazy" in his most recent fights so had decided to concentrate on developing the left. Scorticini confused Giamba, the no. 8 ranking middleweight, by backing away and circling, first one way and then the other. From this corner, Scorticini seemed to outfox Joey, throwing him off stride.

Sports Quotes Of The Week:

By GAYLE TALBOT NEW YORK (P)—Our nomination for quote of the week goes to the forthright statement by Gerald Staley, the St. Louis Cardinals pitching star, that Solly Hemus, Card shortstop, "can't move up to big league standards," and that Ray Jablonski, another teammate, "doesn't have much range at third." "We'll bet the left side of that good old Cardinal infield is a real snowball when Gerald toes the rubber next summer," said Staley. Second award goes to Adolph Rupp, the eminent Kentucky basketball mentor, who told an interested audience that his current team is the "finest ever assembled in the United States." Adolph is no piker, especially since he also was coach of another Kentucky team a few years back which contained Alex Groza, Ralph Beard and Wahwah Jones. Would he like to bet, with no point spread? "The third, or consolation, prize belongs to Ben Hogan, who told 'Golf Graphic' that 'From every observation I have ever made of the putting there is no reason why the average golfer cannot put reasonably well, since putting is merely rolling the ball over the green by striking it a gentle but firm blow.' Great little kiddie, that Ben. It's always dangerous to suggest a baseball player might be a serious holdout, for the chances are good he will have signed before the item can get in print. But the fact remains that Allie Reynolds has fired his contract back to the Yankees for the second time and gives every indication that he isn't fooling. If the world champions are trying to get the game's highest paid pitcher to take a cut because of his nominal 13-8 record last year, this could become interesting, for two reasons. The first is Reynolds is sufficiently well fixed from throwing baseballs and owning oil wells that he is in position, if sufficiently irked, to tell the Yanks to go fly their pennant. The second reason is that many baseball men are far from sure Casey Stengel can make it six straight without the Chief, even if he is crowding 40. Reynolds has been the "policeman" of the Yank staff, the pitcher opposing clubs least liked to see walk out there, either as a starter or a stopper. With him gone, every club would rejoice at the stadium with much more confidence. Herman Hickman probably will think a long time before he again casts aspersions on the noble cast of rascals, as he did in a recent magazine article. Finkle George, the well known Iowa promoter, let the Tennessee troubadour have it thuly in an interview with Al Ney of the Waterloo Courier: "Hickman didn't lie. He's writing about some 20 years ago, about 1933, and that was the era that brought ill repute to wrestling with bumps like him and other fakery. As a result we're still trying to outlive the scandal they created in that era." "That, we submit, should hold Herman.

Noren Signs With Yankees

NEW YORK (P) - Irv Noren, who fills in for the ailing Mickey Mantle in centerfield, has signed his 1954 baseball contract with the New York Yankees. The Yankees announced the signing Saturday without divulging the salary figure. This leaves 22 members of the world champion team still unsigned.

TRAINING TREK ST. LOUIS (P) - The Cardinals, who annually do their spring training in St. Petersburg, Fla., will take a cross-country trek this year. The Redbirds will try their first five exhibition games in Florida, then hop to California where they will meet the Chicago Cubs in two contests at Los Angeles, and one at Fresno. Both squads will play a game at Mesa, Ariz. Following this series, the Cards return to St. Petersburg to resume their Florida schedule.

DEADLY MISS - Velma Lining, 16, averages 41.3 points a game for Easton, Kans. High's girl basketball team.

Beavers Win; UO Trounced

By THE ASSOCIATED PRESS The Oregon State Beavers, preseason favorites to cop the Pacific Coast Conference Northern Division basketball crown, stood atop the standings Saturday. The Beavers, with Lanky Swede Halbrook's 20 points paving the way, humbled Washington, 70-47, Friday night to run their conference record to 8-3. The University of Oregon Ducks, who were tied with the Beavers for the top spot prior to Friday night, tangled with Idaho and came out losers, 68-54. 7-4 RECORD The loss gave the Ducks a 7-4 record and entrenched Idaho's Vandals in their third place spot at 5-6. Washington holds down fourth at 3-8 and Washington State, idle this weekend, is the tail-end club with a 3-7 mark. Oregon slumped to a meager 237 per cent in shooting at the walls, but the Beavers got off to a fast start and handcuffed the Ducks in the scoring department effectively. Idaho grabbed off a 16-8 advantage at the end of the first quarter and weathered a second period Oregon rally to hold a 32-24 bulge at the intermission. 19 POINTS Tommy Flynn, the Idaho sharpshooter, took individual scoring honors with 19 points. Max Anderson was top man for the Ducks with 15. The Washington Huskies made a good fight of it with OSC during the first half of the game at Corvallis, but the Beavers scored 19 points in the third period while holding Washington to eight to take a long lead they never relinquished again. The score was knotted five times during the first half and the score at the intermission was 32-28 Oregon State. The Huskies couldn't beg, borrow or steal enough baskets in the final half to make a game of it as Halbrook, Ron Robins and Ron Fundingsland found the range and connected time and time again from the field to run the count to 51-36 at the end of the third. Dean Paxson was high man for the Huskies with 17. The same duos play again Saturday night. Trojans, Bruins Win

By THE ASSOCIATED PRESS The racehorse UCLA Bruins and defense-minded USC Trojans, their championship hopes re-kindled by a faltering California team, could throw the PCC Southern Division basketball race into a three-way tie for the top spot Saturday night. The Bruins, who handed Stanford two crushing defeats last weekend, kept up their red-hot pace Friday night by wallopping the division - leading California Bears 82-54, in UCLA's crack-box gymnasium. USC, who like the Bruins now are 4-3, in conference play, trimmed the cellar-dwelling Stanford Indians, 57-53, at Palo Alto. California now holds a 5-2 one game margin over its two Los Angeles rivals. Olympic springboard and platform diving champion Pat McCormick is the only woman ever to hold all five AAU titles in one year.

Snake Hopkins with Ghosts

TUSCALOOSA, Ala. (P) - Both basketball coach Johnny Dee and athletic director Pete Cawthon of Alabama have expressed regret for publicly given a telegram by Dee criticizing Kentucky's Adolph Rupp. Both communicated Friday night with athletic director Bernie Shively of Kentucky, and said Shively was satisfied with their explanation of the affair. Dee said he was "very much upset" because a Cincinnati Post sports writer gave publicly to what he called a "personal telegram." Dee was quoted as saying he was thinking of quitting the game altogether because he had to associate with Rupp, coach of Kentucky's basketball powerhouse. MUM Rupp declined comment. The story touched off the loudest uproar in the career of the bright, young Southeastern Conference coach. Dee is a former Notre Dame star who so far this year has guided the Crimson quints to a record of 12 victories and five defeats. Dee submitted his resignation to university authorities last fall, but it never has been acted upon. He said Friday the resignation is still in their hands. "I am very much upset that (Jim) Miner made a story out of a personal telegram," Dee said. "I explained it to Mr. Shively and he was very nice about it." MISUNDERSTOOD Cawthon said he telephoned Shively that he "regretted that this incident came up." He said he didn't know the complete message in the telegram, but believed Dee was misunderstood. "We've always had good relations with Kentucky and personally I've always gotten along fine with Coach Rupp," Cawthon said. "I've always considered Rupp a good friend of mine." Dee criticized Rupp last Saturday for reportedly saying that playing Georgia's weak quintet was "ridiculous as kissing your sister." Rupp declared he was misquoted. Alabama and Kentucky meet here March 1.

Chicks, Chics Visit Merrill

The famous Iowa Colored Ghosts (the Harlem Tops) and the Harlem Chics stop on their cage tour in Merrill Sunday night for a doubleheader with Merrill's top team. The Negro gala will face the Merrill VFW team of the Klamath Basin Independent League in the 7 o'clock opener; the Ghosts and last year's Merrill team in the KBI league square off in the second game. The Ghosts, while not as famous as their counterparts, the Harlem Globetrotters, are a talented band of dribble and pass-happy shot-makers, who can turn on the steam or tickle the fancy of the most staid fan. They are managed by Rip Collins, one of the finest shots in the game today.

Rookie In Golf Lead

ST. PETERSBURG, Fla. (P) - The country's top women pros had to look up to an 18-year-old amateur from San Diego starting the second round of the 54-hole St. Petersburg women's Open Golf Tournament Saturday. Blonde Mickey Wright sprayed birdies all over the back nine for a six-under-par 31 Friday to go with a par 37 on the front nine. Her total of 68 was a stroke better than Babe Zaharias of Tampa and Beverly Hanson of Indio, Calif. The Babe came back stronger than she started, turning in 36-33-69. She missed a 20-foot putt by about an inch on the 18th hole that would have given her 68 also. Miss Hanson had a steady 35-35-69. Betty Dodd of Tampa and Kathy McKinnon Cornelius of Dayton, Ohio, tied at 71 over the 6,116-yard Sunset Country Club course. Miss Dodd had the best front nine score of the day, 33, but her putting was bad on the home nine. Right behind came Louise Suggs of Atlanta with 72. Other leaders in the \$3,500 event were Betty Jameson of San Antonio, Tex., and Betsy Rawls of Spartanburg, S.C., with 73s, and Fay Crocker of Montevideo, Uruguay, 74.

"I owe a lot to the sport." Wilson was crippled with arthritis 20 years ago and could not bend his knees. His doctors ordered him to take up wrestling. Wilson did and soon was completely cured.

Haddix Inks With Cardinals

NEW YORK (P)—The St. Louis Cardinals' advance spring training camp is open today and their 1954 salary worries are pretty much of a closed question. At about the time a squad of 75 rookies began limbering up at Deland, Fla., star second baseman Red Schoendienst and Ray Jablonski, rookie third baseman of 1953, reached for pens to sign new contracts in the Cardinal offices in St. Louis. Harvey Haddix, the Redbirds' top hurler last year with a 20-7 won-loss mark and 3.06 earned run average, had agreed to terms earlier in the day. NOT IN THE Milwaukee Braves, meanwhile, admitted shortstop Johnny Logan and second baseman Jack Dittmer were something less than happy about their proffered contracts. General Manager John Quinn pointed out the pair can't be classified as holdouts unless and until they fail to report March 1. Schoendienst, Jablonski and Haddix were by far the biggest names in the comparatively small group of major leaguers to come to terms with the clubs yesterday. Schoendienst, the National League's second leading hitter in 1953 with an average of .342, said he was "well satisfied" with a salary increase which reportedly brought his pay close to the \$50,000 bracket. He received about \$35,000 last season. ST. LOUIS (P) - Jablonski hit 21 home runs in his first season, two more than Johnny Mize hit as a rookie, and batted in 112 runs. Haddix was believed to have doubled his \$7,000 salary of last year. Brooklyn signed rookie third baseman Don Hoak and sub outfielders Dick Williams and Bill Anderson, while the Philadelphia Phillies received the signed contract of Johnny Lindell, knuckleballer obtained from Pittsburgh last season. Dick Young, infielder who hit .288 with Charleston of the St. Louis League last year also signed with the Phillies, and rookie pitcher Bob Purkey okayed a Pittsburgh contract.
