

# BIG Y

## SAVE \$5 and more!

On Every \$100 Worth of Groceries at BIG Y!

That's right! That is exactly what you do if you take advantage of our "Big Y Pays Half" plan. For example: Save \$100 worth of cash register receipts from the Big Y. Come in, come in, pick out a \$10 appliance or other item. You pay only \$5 for it! We pay the other half! Thus you save \$5 (or 5%) on every \$100 you spend here, plus the added advantage of buying your groceries, meats and produce at our low, low prices. No stamps to bother with, just make your selection from our large premium stock which is almost unlimited, and we will gladly order what you want if we don't have it! Remember, on so-called "premium stamp plans" you have a potential return of less than 3%, and in many instances pay more for your groceries!

We Reserve the Right to Limit!
