Reds Boast Of Weapons On Army Day

MOSCOW (AP)—Russia's military leaders marked the 36th anniversary of the Red army today with blasts at the United States and repeated assurances that Soviet armed forces are sharpening their skill with the "newest weapons."

The army chief of staff, Marshal Vassily Sokolovsky, charged in Izvestia that "American imperialists are preparing a new war against the Soviet Union and the people's democracies." He warned that Soviet forces are preparing for combat in the atomic age.

The Soviet defense minister, Minister, Marshal Nikolai Bulganin, in a special order of the day, called on the armed forces for inparedness and competence in using the most modern weapons.

Nicolai Kuznetsov also spotlighted new weapons, writing in Izvestia that the Soviet army and navy had received new arms and equipment "which are greatly superior to the arms and equipment of the second world war." also included an interview by the Soviet news agency Tass with Marshal M. Chistyakov, who charged "reactionary circles in the United States and Britain treacherously held up the opening of a second front (in World War II) in order to weaken the U.S.S.R. and save the fascist aggressors from complete defeat."

It was one of the biggest Armed Forces Day celebrations ever held in the Soviet Union. There were mass sporting events, special meetings and speeches throughout the country, and special radio and television programs.

MEMORIAL TO A COSTLY VICTORY — The Stars and Stripes never are lowered at this memorial atop Mt. Suribachi on Iwo Jima where U. S. Marines raised the flag of victory Feb. 23, 1945. The fighting for the Pacific isle cost 20,000 casualties. The Air Force, which today maintains the landing strip on Iwo, raises a new flag above the memorial each week because ocean winds tatter the banner in that time. (Story on Page 14).

Sacred Heart Notebook

BY BEATRICE WALSH

Hoarse voices seem to be the latest fashion at SHA since the tournament. After losing their first game with Paisley, the Trojans went on to beat Gilchrist Friday afternoon. Winning the Bonanza contest Saturday night by a considerable margin, the Trojans gained the consolation title. Champion of the tourney was Malin, who defeated Chiloquin in the final minutes of the deciding game by one point.

Approximately 150 children will be confirmed in Sacred Heart Church at 7:30 p.m. tonight. His Excellency, the Most Reverend Francis P. Leipzig, D. D., Bishop of Baker Diocese, will officiate.

Sister Presentina, supervising catechist of the Confraternity of Christian Doctrine, addressed the student body yesterday morning, on topics for the Deanery Conference panel discussion scheduled for April 25 at Chiloquin. The topics for discussion for Sacred Heart will be "Bible" and "Tradition." The group with the most number of points will receive a plaque.

The Pep Club's annual Pep Step will be held tomorrow night in the parish hall from 8 p.m. to 11 p.m. A girl ask boy affair, admission will be 50 cents a couple, and sport wear will be worn. It is rumored that the programs are very clever.

The boys are now holding intramural basketball games during regular gym classes. Trojans will go to the tournament in Ashland March 11, 12 and 13. Since this is during test week, only the team will be excused.

Bribes Involve Japan Leaders

TOKYO (AP) — Japan's lower house Tuesday granted permission for the arrest of one of its members accused of handling reported bribes between government officials and representatives of a shipbuilding company which obtained government loans.

It was the latest development in the boiling Japanese political crisis which could overturn Prime Minister Shigero Yoshida's administration.

In a stormy session, the house voted 209-204 to permit the arrest of Jiro Arita, who resigned last week as deputy secretary-general of Yoshida's Liberal Party.

Arita has denied that he had passed along two 1-million-yen ($2,780) bribes from a shipbuilding company to Transportation Minister Mitsujiro Ishii and State Minister Bomboku Ono, and a 500,000-yen bribe to Gengo Tsuboi, chief secretary in the transportation ministry, who has been indicted.

Charges to that effect were voiced in a Diet committee session Monday.

Tribute Paid To Local Singer

In a glowing tribute to the Seattle Chorale in its recent appearance under the baton of Conductor Stanley Chapple, John Voorhees, music critic, gave much of the credit to the four soloists, and particularly to a Klamath Falls girl, Athena Lampropulos, who sang the demanding soprano role, in the dramatic Verdi's Requiem.

The response was so overwhelming, according to Voorhees, that the conductor and several of the soloists, after repeated applause and cheers, had called them again and again to the stage of the theater, broke into tears of appreciation.

"While the orchestra performed well, it was the soloists who made the concert their own," Voorhees wrote. Parts were sung by Miss Lampropulos, Dorothy Cole, Stan England and Edward Palmerson.

"To those who know the Klamath Falls artist, her voice sounded better than ever. The role was a challenge to Miss Lampropulos, who acquitted herself beautifully," the critic said.

Athena will be heard in concert in Klamath Falls, March 27.

Lawyers Invoke Court Decision

VALE (AP) — Leaning on the recent Oregon Supreme Court decision which ordered Bonnie Lee Kuhnhausen released from prison, attorneys for County Clerk Harry S. Sackett seek dismissal of charges against him.

Five charges in connection with misuse of public money have been filed against Sackett. He was first indicted last May. Then in August additional information was presented to a grand jury and three indictments were returned.

He was tried in October on one of the charges but the jury failed to agree and retrial was set for March 8.

Robert Lees, one of Sackett's attorneys, said Monday that Circuit Judge E. H. Howell had been asked to dismiss all of the charges because Sackett was not given a speedy trial. He said Sackett had a right to be tried at the same term of court in which he was indicted unless there was good reason for delay. He said good reason was lacking.

The Kuhnhausen decision by the Supreme Court used that reasoning—she was available for trial at Oregon City in April but was not tried until the July term, so the court ordered her freed.

Police Seek Warren Critic

LOS ANGELES (AP) — One of the unevaluated charges against Chief Justice Warren has been attributed to Roderick J. Wilson, sought by police at the request of San Francisco's district attorney.

The district attorney, Thomas C. Lynch, says Wilson is a former press agent and private detective who is wanted in San Francisco under a 1952 indictment charging subornation of perjury in connection with an automobile accident damage case.

But Paul Lee Moore, who described himself as an associate of Wilson, said Monday that Wilson is an attorney, an honorary doctor of laws and a candidate for the Democratic nomination for governor.

Moore also said that the San Francisco charge against Wilson is not true, and that he believes Wilson is conferring with attorneys preparatory to surrendering to San Francisco authorities.

Wilson himself could not be located for comment.

The charges against Warren were disclosed Friday in Washington by a subcommittee of the Senate Judiciary Committee. Wayne Smithey, subcommittee counsel, said one of the unevaluated charges was that Warren "was at one control of a notorious liquor lobbyist' (Art Samish)." This charge, said Smithey, came in a letter from Wilson, mailed in Los Angeles.

SP Conductor Injured By Fall

A moving freight train, headed north out of Chiloquin, on February 18, brought near death to an employe who had spent 25 years in the service of the Southern Pacific.

A slip on icy ground, threw A. A. Myers, a conductor, to the rails as the train gathered speed from the station when he left the engine. Myers fell across the rail, struggled to the outside of the ties but was caught by the journal boxes on the axels and pummeled, as 30 or 40 cars of the train moved past his inert body.

Chiloquin's marshal, Alvie Youngblood is credited with saving Myers life. Youngblood saw him fall and ran more than a block, pulling the man from beneath the then rapidly moving train before the caboose struck him.

Myers, 54, 2012 Applegate, Klamath Falls, left Monday night by train, accompanied by a nurse, for the Southern Pacific Hospital in San Francisco.

He has been in Klamath Valley Hospital here since the accident, suffering from multiple bruises and internal injuries.
